SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinal laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

Big Deal.

NEW YORK, Feb. 1.—Another railroad transaction, reaching, it is believed, much further in its ultimate results than any of the deals which have thus far marked the closing of the old and the beginning of the new century, became known a few minutes before the closing of the market this afternoon, when a transfer of the control of the Southern Pacific Company into the hands in which the Union Pacific predominates, was announced.

A Great Funeral Display.

LONDON, Feb. 2.—Half a million of the late Queen Victoria's devoted subjects, lining the shores of the Solent yesterday witnessed a majestic and awe inspiring pageant and bade a last farewell to their beloved ruler, sovereign of the greatest naval power in the world, and fortunate in the manner of her obsequies. Yesterday's ceremonies were a fitting tribute from a nation owing Nelson for his hero to its dead monarch.

Maneuvering.

WASHINGTON, Feb. 1.—The opposition to the shipping bill and the disposition manifested in the Senate today to delay its passage resulted in the calling of a republican committee on order of business this afternoon for the purpose of considering way and means to secure action on the bill. A decision was reached to ask for earlier daily sessions than have been held heretofore, and to make an effort next week to secure night sessions.

Has Many Lites.

PARIS, Feb. 1.—The Foreign Office has no news of the death of Li Hung Chang as reported by the Frankfort Gazette. M. Richoff, the French Minister at Peking, has not alluded to his illness for some time, so it is supposed it is not serious.

A Good Example.

HIAWATHA, Kan., Feb. 1.—E. J. Eye-holtz, a local druggist, today made public his determination to destroy all the liquor in his store. This afternoon he poured a barrel of whiskey into the sewer and announced that Saturday he would probably destroy the remainder of his supply of liquor including several barrels of wines and whiskies.

A Big Battle.

PARIS, Feb. 1.—A dispatch to the Francois from Cairo says news has been received there from Abyssinia of a great battle in which 700 were killed. It is supposed the chiefs rebelled during the absence of King Menelik, who has gone to the Egyptian front in connection with the delimitation of the Egyptian-Abyssinia frontier.

STATE LEGISLATURE.

The usual mass of charter bills took up the time of the houses.

In the house the bill placing the office of state treasurer on the same basis as that of the secretary of state was reconsidered and passed. A number of charter bills were passed.

In the senate Clem called up the house bill providing for the tolling of the Albany bridge and the same passed. Senator Kelly also introduced a new bill empowering the city to toll the bridge, the first bill not covering the entire field. The bill passed, also an amendment to the charter of Albany providing for liens for street work.

A concurrent resolution was passed asking the President to visit Oregon on his Pacific coast trip this year.

Lebanon.

From the E. A.:

Mrs. P. J. Smiley, of Albany spent yesterday in Lebanon with her sister, Miss Marks.

At the meeting of Troop "A" in this city last night O. H. Young was elected captain, to fill the vacancy caused by the resignation of Mr. Coplan, and Prof. L. A. Wiley was elected first lieutenant. Major Ellis, of Albany, was present as inspecting officer.

Sheriff McHargue and D. A. Kirkpatrick, a gentleman in the employ of Stewart & Sox, passed through Lebanon yesterday on their way from the Ross Humphrey sawmill, which the sheriff had sold at sheriff's sale, and which was bid in by Mr. Kirkpatrick for \$1400.

Mr. Goan, the Jefferson potato buyer, was in Lebanon yesterday. He has bought quite a quantity of potatoes at this place of late. Among other lots was one from the Blacklaw brothers, which will be loaded at Spicer. He was offering 24 and 25 cents yesterday.

What We Eat.

Is intended to nourish and sustain us, but it must be digested and assimilated before it can do this. In other words, the nourishment contained in food must be separated by the digestive organs from the waste materials and must be carried by the blood to all parts of the body. We believe the reason for the great benefit which so many people derive from Hood's Sarsaparilla lies in the fact that this medicine gives good digestion and makes pure, rich blood. It restores the functions of those organs which convert food into nourishment that give strength to nerves and muscles. It also cures dyspepsia, scrofula, salt rheum, boils, sores, pimples and eruptions, catarrh, rheumatism and all diseases that have their origin in impure blood.

At Bed Time

I take a pleasant herb drink, the next morning I feel bright and my complexion is better. My doctor says it acts gently on the stomach, liver and kidneys, and is a pleasant laxative. It is made from herbs, and is prepared as easily as tea. It is called Lane's Medicine. All druggists sell it at 25c and 50c. Lane's Family Medicine moves the bowels each day. If you cannot get it, send for a free sample Address, Orator F. Woodward, Le Roy, N. Y.

There is no pleasure in life if you dread going to the table to eat and can't rest at night on account of indigestion. Henry Williams, of Boonville, Ind., says he suffered that way for years, till he commenced the use of Kodol Dyspepsia Cure, and adds, "Now I can eat anything I like and all I want and sleep soundly every night." Kodol Dyspepsia Cure will digest what you eat.—Foshay & Mason.

Many people worry because they believe they have heart disease. The chances are that their hearts are all right but their stomachs are unable to digest food. Kodol Dyspepsia Cure digests what you eat and prevents the formation of gas which makes the stomach press against the heart. It will cure every form of indigestion.—Foshay & Mason.

The total tax of Albany people about 90 mills is small compared with that of Ashland, which will suffer as follows: state, county and school 26 mills, city 10 mills, school district 15 mills, total 51 mills. Wouldn't that make a man tired and weary in Albany.

Following is a timely description of the grip: Here is a short history of the grip, written by a person who has evidently been through a siege of it: A wheeze, sneeze, cough, sore throat, brain ache, eyes can't see, head can't read, can't think, no joke, can't sing, ears ring, can't talk, can't walk, don't care, lips swell, take pills, Doc's bills.

Now that the bicycle tax has been declared illegal by the supreme court there are some men in Benton county who have been paying their taxes for two years who are trying to make the county pay it back. Don't, the county has had the benefit of the bicycle paths and those who paid have no occasion to kick. Linn county, though, fortunately escaped the affliction of the tax and also the benefit of the paths.

An Explanation.

The following letter from Mr. J. Waggoner who contracted with representatives of the Christian church to give "The Starr Lecture Course" in their building, is published that the public, and especially those who aided in the matter by agreeing to take tickets, may know that the church is in no way responsible for the failure of the course:

Bro. J. B. Holmes, My Dear Brother:—I very much regret the fate your lecture course received by carelessness on the part of the Bureau's management.

We have canceled contract at your place.

Fraternally, J. Waggoner, San Jose, Cal.

We regret that this course failed as this certainly would have been a fine thing for Albany.

Minister's Mistake.

A city minister was recently handed a notice to be read from his pulpit. Accompanying it was a clipping from a newspaper bearing upon the matter. The clergyman started to read the extract and found that it began: "Take Kemp's Balsam, the best Cough Cure." This was hardly what he had expected and, after a moment's hesitation, he turned it over and found on the other side the matter is tender or the reading.

You can't afford to risk your life by allowing a cough or a cold to develop into pneumonia or consumption.
