Blood Humors

It doesn't make any difference whether you believe in the modern theories and speak of the causes of diseases as referable to germs, microbes or bacilli, or whether you use the older and better understood terms of "humors" and "blood diseases"—Hood's Sarsaparilla cures them all.

It cures scrofula, salt rheum, eczema, catarrh, rheumatism, malaria and all other blood poisons; nervous troubles, debility and that tired feeling.

This is not merely modern theory; it is solid up-to-date fact.

"Salt rheum on my hands so severe I had to wear gloves most of the time, and could not shut my thumb and finger together, was cured by Hood's Sarsaparilla." Mrs. A. O. BEAULIN, North Weymouth, Me.

"My three month old boy was cured of a very bad case of scrofula by Hood's Sarsaparilla." Wm. H. GARRETT, West Earl, Pa.

Hood's Sarsaparilla

Promises to cure and keeps the promise. No substitute for Hood's acts like Hood's—be sure to get Hood's.

A Gift to Give.

It is often difficult to decide what to get your friends for holiday gifts. Here is a suggestion: "Good morning, Jennie, I have brought you a nice present," said Gertrude, as she handed her friend a neatly wrapped package.

The pale, weary looking girl, who was slowly recovering from severe illness, opened the bundle and held up a large bottle of clear, rich medicine. "Hood's Sarsaparilla!" she exclaimed. "I have been reading about it today and wished I had a bottle."

On New Year's day Jennie was able to get out on the street; and to her friends who remarked how well she was looking she simply said, "Hood's Sarsaparilla," and every one of them knew it was this great medicine that had given back her health.

PAY UP.—The books and accounts of the Albany Dressed Beef Co., contracted prior to Oct 27, 1900 have been placed in my hands for collection. All parties indebted to the firm are notified to call at my office and settle the same without delay.

BLOOD

We live by our blood, and on it. We thrive or starve, as our blood is rich or poor.
There is nothing else to live on or by.
When strength is full and spirits high, we are being refreshed, bone muscle and brain, in body and mind, with continual flow of rich blood. This is health.

When weak, in low spirits, no cheer, no spring, when rest is not rest and sleep is not sleep, we are starved; our blood is poor; there is little nutriment in it.
Back of the blood, is food, to keep the blood rich. When it fails, take Scott's emulsion of cod-liver oil. It sets the whole body going again—man woman and child.
We'll send you a little to try, if you like.
