SYRUP OF FIGS

NEVER IMITATED IN QUALITY.
An Excellent Combination.
The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO. illustrate the value of obtaining the liquid laxative principles of plants known to be medicinal in nature and presenting them in the form most refreshing to the taste and most acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

MISFITS

Salem has a Woman's Club, which is about to tackle the question, "how to make a husband most useful."

Berman will stay. He is considerable of a stayer, but it is the opinion of many that he did not stay in congress long enough for the good of Western Oregon.

If the people of all parts of Benton county petition for a free ferry at Corvallis, why should not the people of all parts of Linn county be as public spirited and petition for a free bridge at Albany, the annual expense for keeping up of which will be less than the cost of running a ferry.

The job of expediting the land office books at Salem has now progressed nearly to the end of Napoleon Davis's term of office and soon work will be begun on the accounts of G. W. Davis, the one said to be in default. It looks very much as if the summit had about as fat a take as Davis, an all-summer's job.

Many who were fired on each side, and the posse finally departed without accomplishing the purpose of its visit.

The different papers of the state have been giving the names of their citizens who are acquainted with General Ferguson and other politicians. Minister's Mistake.
A city minister was recently handed a notice to be read from his pulpit. Accompanying it was a clipping from a newspaper bearing upon the matter. The clergyman started to read the extract and found that it began: "Take Kemp's Balm, the best Cough Cure." This was hardly what he had expected and, after a moment's hesitation, he turned it over, and found on the other side the matter to read or the reading.

Prof. Wilson, of Lenoconing, Md. suffering terribly from neuralgia of the stomach and indigestion for thirteen years after the doctors failed to cure him they fed him on morphine. Did you ever hear how Mr. ——— street came to buy a wheel for his wife? Well, he came home one evening, and saw her sitting on the balcony of the porch, as shown in the picture. It is a simple sight, but it made his mind end there that she would not be just too sweet for anything on a bicycle. And she does. But the kind of bicycle is a good deal to do with looking sweet. If you want to look sweet, buy your wheel as did Mr. ——— of the post for
