High Pressure Days.

Men and women alike have to work incessantly with brain and hand to hold their own nowadays. Never were the demands of business, the wants of the family, the requirements of society, more numerous. The first effect of the pressure is commonly seen in a weakened or debilitated condition of the nervous system, which results in dyspepsia, defective nutrition of body and brain, and in extreme cases in complete nervous prostration. It is clearly seen that what is needed is what will sustain the system, give vigor and tone to the nerves, and keep the digestive and assimilative functions healthy and active. From personal knowledge, we can recommend Hood's Sarsaparilla for this purpose. It acts on all the vital organs, builds up the whole system, and fits men and women for these high-pressure days.

Rockers, Rockers, Rockers.

Thomas Brink has a large stock of fine Rockers for ladies or gentlemen, which he is closing out at a very low price, to make room for other goods, so if you want a nice Rocker at cost now is your time to get one and they are first class goods.
