THE CARNIVAL.

The Harvest Home Carnival of the
 Woodmen of America, of this city was
 begun today, after elaborate prepara-
 tions by the local committee.

The business houses of the city were
 put in tasty decoration for the occasion,
 and the streets were appropriately de-
 corated with the red, white and green
 colors of the order and pretty flags.

In anticipation of the event there were
 numerous attractions and schemes along
 the streets. A spectrograph in the
 Tweedle Block, a concertograph, caneo-
 graph and kuleograph at two of the
 corners, a cementograph across the road
 and Arnold's popular merry-go round on
 the Ferry street park.

There has been considerable anticipa-
 tion of a large crowd in attendance. But
 it proved entirely the wrong time of the
 year, just when many are hop picking,
 others are harvesting and people gener-
 ally have just returned from their sum-
 mer outing and hence have done all the
 going for the season they desire, and the
 large crowd predicted failed to appear.

In short, the attendance so far is only
 fair. There will be many more tomor-
 row, when the main contests take place.

This forenoon two cars of visitors from
 Lebanon and Brownsville arrived, in-
 cluding about twenty-five Woodmen of
 America from Lebanon and other places.

The noon train from Portland brought
 the N W A band of Salem and the well
 equipped team of Camp 5246, a dozen
 fine looking men. Governor Geer and
 wife, Mr Hyland, Mr Zan and Miss De-
 Witt were among the arrivals. The Albany
 band was present with a good sized
 crowd. The train was an hour late,
 which delayed the exercises of the after-
 noon.

The parade was formed as follows:
 Marcha Hogan,
 Ellis and Chamberlain.
 Albany Band.
 Three carriages of speakers and musi-
 cians.

Floater of Camp 5835, of Eugene.
 Albany Camp of Woodmen of
 America
 Camp Laurel.
 Salem Band.
 Salem Camp No. 5246.
 Team, Albany Camp. Members Al-
 bany,
 Lebanon and other camps.
 Crabtree Camp and big log.
 Citizens.

The exercises at the platform on the
 east side of the court house were faith-
 fully carried out and were of a very en-
 tertaining order. Hon M A Miller, of
 the Lebanon camp presided. The Wood-
 men Band of Salem opened the program
 with an excellent selection, when Mayor
 W H Davis of this city delivered the ad-
 dress of welcome, suggestive of the oc-
 casion. Mr N Zan, one of Portland's
 most popular vocalists was heard in a
 solo. C M Hyund, a prominent Port-
 land Woodman responded to the address
 of the Mayor in a happy manner. The
 Albany Band rendered a popular selec-
 tion, well. Oregon's tall Governor then
 came to the front and spoke for a few
 moments as the occasion called for and
 was given a warm greeting. Miss Paul-
 ine DeWitt, of Portland, was heard in a
 well rendered solo, when the program
 closed with a concert by the bands.

Before supper there are to be two foot
 races and a five mile bicycle race.

Pendo Statement.

Since the order of Pendo was organ-
 ized in Albany less than two years, the
 sum of \$420 cash has been paid out to its
 sick and disabled members. The Coun-
 cil in Albany is in a flourishing condition
 with a membership between 80 and 90
 policy holders. No just claim for sick-
 ness or accident has ever been rejected
 and the good work done by the order has
 brought about very satisfactory results
 in a largely increased growth in this and
 other states this year over past years.
 The Council in Albany has recently
 changed its place and night of meeting.
 It now meets in the G. A. R. hall on the
 1st and 3rd Wednesdays of each month.

Seven Days at Carnival

All the transportation lines in the
 Northwest are arranging to give specially
 low rates to and from the Portland Car-
 nival, which runs from Sept. 18 to Oct.
 19, and the excursion tickets will be good
 for 7 days. This is the longest limit
 ever given on such tickets, and will give
 people ample time to see all the sights
 connected with the great exposition.

With two full military bands, a mili-
 tary tournament, a horse show, athletic
 sports, exhibits of mining, agriculture,
 horticulture, and manufacturing, a full
 midway, fireworks, and an array of
 amusement attractions, the carnival will
 be one of the greatest events of the sea-
 son, and the admission fee is going to be
 only 25 cents, 10 cents for children.

The search for the 100 sheep missing
 from the Jackson farm three miles north
 west of town, has been renewed. Word
 was brought to town yesterday that 50
 head of the missing animals had been
 found in a deep canyon in the mount-
 ains west of sulphur Springs.—Times.
