MISFITS

Most people have quit reading the account of the Schley inquiry. It is getting aged.

Four postal clerks and a Pinkerton detective, besides all the chiefs of police and constables in the valley are at work on the S. P. hold-up and something is bound to be raked in.

A Chicago man has just recovered \$30,000 damages against another Chicago man for the alienation of his wife's affections. They must have been worth that for the defendant made no defense.

The following tiddle appears in the Lebanon Criticon:

Springfield, Oregon, is apparently on the verge of the boomiest of booms. Boring for oil has already commenced, and fond hopes of gushers galore are entertained. The Southern Pacific has sent to California for a bridge to span the Willamette at Springfield, after the erection of which it is said the through trains will come on this line rather than through Albany. When she is on simply a branch road of course she cannot expect to hold the country seat way out on the edge of the country. By that time Lebanon will have expanded so as to take in Tallman and so will be on the main line; Albany will have lost the chair factory and will have nothing left but the brewery, and Lebanon will be the metropolis of Linn county.

Brownsville.

From the Times: Rev. W. P. Elmore is looking after business matters in Eastern Oregon this week.

Mr. J. P. Galbraith and daughter Hattie, and Mrs. Tom Wallace, of Albany, spent Sunday with relatives in this city.

B. F. Childs has again returned from the Blue River mines. He visited the Uncle Sam Company's new mill on the Galapooa side, and thinks they have a fine property. In conversation with Mr. Bruebaker one of the proprietors, he was informed that Uncle Sam Company are very anxious for the completion of the Linn county wagon road into the district. Mr. Bruebaker informed him that if Linn county people would complete the road to Billings, on the Galapooa, his company would meet them with a road from Gold Hill, thus connecting practically the whole district with Linn county, by the shortest possible route from any railroad point.

It's the experience of every one. Sooner or later we all take cold. Colds naturally tend downward, that's the trouble. Ayer's Cherry Pectoral stops this downward tendency and quickly cures these early colds. Ask your doctor. If he says this isn't so, don't believe us.

"I know from personal experience that Ayer's Cherry Pectoral quickly breaks up a heavy cold on the lungs." B. C. Suedeker, Pine Hill, N. Y. 25c. 50c. \$1.00. J. C. Ayer Co., Lowell, Mass.

Schley Testified. WASHINGTON, Oct. 25.—When the Schley court of inquiry adjourned today, Admiral Schley had not completed his testimony. He took the stand about 11:30 o'clock, after former witnesses had been recalled for the purpose of making corrections in and additions to their testimony and continued his statement until the court adjourned at 3:40 p. m. This adjournment twenty minutes in advance of the usual time was due to the fact that the Admiral's throat had become somewhat sensitive.

Roosevelt's Message. WASHINGTON, Oct. 25.—All members were present at the meeting of the Cabinet today.

The consultations between the President and his Cabinet officers were especially full, owing to the determination which Mr. Roosevelt has reached to write all of his own messages to Congress and to do it on original lines.

Will Be Expected. SALEM, Oct. 25.—In spite of the protests of the Marion County officials, including one of the County Commissioners, the County Commissioners' Court today made an order directing that the county books be kept, and that Messrs. Clark & Buchanan of Portland, be employed to do the work. The order was signed by County Judge Scott and Commissioner Needham, but Commissioner Miley entered his protest in the records and refused to sign the journal.

Terrible Disaster. PHILADELPHIA, Oct. 25.—Nineteen persons were killed and property valued at \$500,000 was destroyed as the result of a fire which occurred today in the business section of the city. The number of injured is not known definitely, but fully a score of victims were looted at various hospitals.

Lebanon.

From the E. A.: Mrs. Geo. M. Clark, of Leabomb, has returned from Portland, where she was treated successfully for cataract of the eye.

W. C. Druen and family arrived here last week from Lebanon, Mo. He is a brother of J. E. Druen. They have moved on to the farm of his brother-in-law, Mr. Kes Thayer, near Spicer.

S. M. Garland has purchased the lot and buildings on the east side of Main street, occupied by Phillips, the shoemaker, having a frontage of 41 feet; also the house, barn and two lots back of the Peterson place, from the Sell's estate.

M. Morgason, of Shedd, and the Methodist minister of that place were deer hunting in the mountains a couple of weeks ago, and Mr. Morgason accidentally killed a spotted fawn. He shot at a grown deer, but missed it and hit the fawn. Learning that he was going to be arrested for killing the fawn, he appeared before Justice Loveless of this place on Monday and pleaded guilty to the offense. The justice fined him \$25, the lowest fine that can be imposed in such a case.

The Chemawa Indians went to Eugene this afternoon to play the U. O. They will have their hands full. Eugene will probably win without the Indians scoring.

Two masks have been found at the place where Engineer Lucas was to stop the train for the S. P. robbers to leave, showing that there were two men in the hold-up. That was probably all.

Wayne Starr, who stole from the post office at Dusty, yesterday, was fined \$100 and six months imprisonment in jail, by Judge Hollinger. According to Starr's story he was out of money, and being at Dusty and finding the post office door unlocked had gone in and committed the theft.

GRAFTS.

Some of the greatest heroes are in the homes.

Children are all right in their place, if they have any.

It takes lots of pulling in Oregon to bring down the rain in the fall.

Just a little sometimes will bring a great deal of sunshine.

Dogs have rights as well as men.

Every town has its shoddy aristocrats.

A great many religious people need more religion in their daily lives.

You can't get to the right place on the wrong road.

Gambling may put lots of money in circulation, but it is a mighty bad thing just the same. Robbing a railroad train may circulate money, but it is wrong.

A Thrilling Experience.

L. R. Slater, a prominent stockman of Prineville, and his wife met with a terrible accident on the mountain road near the Walton ranch on Tuesday. They were on their way to the valley, and while on a high grade met Mr. Perry, of Sodaville. Mr. Slater gave the lines to his wife and got out to assist in backing Mr. Perry's team so he could pass. Just then a tree fell, scaring Mr. Slater's team, and they backed over the bluff, the back and horses piling on Mrs. Slater, and all falling a distance of 100 feet. Mrs. Slater's right leg was broken in two places below the knee and her knee was lacerated in a frightful manner. One of the horses was killed. Dr. Lamberson was called to attend Mrs. Slater and made the trip of forty miles in five hours. He made her comfortable and she will be brought to Lebanon tomorrow.—E. A.

Start Girls Right!

Many beautiful girls become invalids for life, because at the crucial period of puberty they pay no attention to the laws of health. Mothers should protect their daughters' health by giving them necessary information and proper treatment. When the menses come on a girl unawares in her inexperience she is either frightened into convulsions, or scared into trying to check the flow. Many girls have checked the flow and it has never started again. And as a result they have grown pale-faced, with "crow-tracks" on their cheeks, and dark half-moons under their eyes. A dose of

WINE OF CARDUI

taken every morning after a girl is twelve years old will bring the menses on properly and keep them regular. It will help her to develop into attractive womanhood and equip her for the duties of wife and motherhood. All druggists sell \$1.00 bottles of Wine of Cardui.

The Hollywood, Ashbury Park, N. J., February 3, 1900. I read your advertisement in regard to Wine of Cardui in the Baltimore American, and it so favorably impressed me that on my visit to Baltimore during the holidays I purchased a bottle of it for my adopted daughter, who was suffering with female troubles. She had been under the doctor's care for some time, and when her periods would come on her suffering was something terrible. I induced her to try it and the first dose brought on her menses. She took it regularly according to the directions, and was greatly relieved. To use her own words, "It saved my life." J. WESLEY GIBSON.
