A Strong Woman

Iowa City, Iowa, Aug. 15, 1900
My wife was sick for three years. We tried everything without relief and spent much money. My wife tried Wine of Cardui and four bottles cured her. She took two more bottles, knowing she would have to work hard during the hay harvest. She attended to all her household duties and loaded and unloaded all the hay. This medicine gave her strength. Formerly she was weak and tired and could hardly get about, but since she has been taking Wine of Cardui she feels better and stronger than when 20 years of age. JOS. A. EISENHAFER.

Mrs. Eisenhafer had tried everything during her three years sickness and had spent considerable money. She was weak and could hardly get about for three years before she took

WINE OF CARDUI

Now, after taking the Wine of Cardui, she can work with her husband in the hay field. That is hard work, but it is not as injurious to a woman's health as labor in stores, factories and offices where thousands of girls are closely confined year after year. With the aid of Wine of Cardui a woman can do any reasonable work and enjoy good health. The health that Wine of Cardui brings makes a woman vigorous in body and mind. Freed from those terrible devastating pains a woman grows well and strong naturally. Wine of Cardui regulates the disordered menstruation and cures leucorrhoea, falling of the womb and periodical pains in the head and back caused by standing or sitting a long time in the same position. Theodor's Black-Draught puts the bowels, stomach, liver, kidneys and blood in proper shape. Greatly increased strength and endurance is the natural result. Most cases are cured quickly. All druggists sell \$1.00 bottles of Wine of Cardui and 25 cent packages of Theodor's Black-Draught.

Thanksgiving day was ushered in by the small toy and the shot gun. At 10:30 in the forenoon a sermon was preached by Rev. Hanson. After the sermon everybody went and partook of a good dinner of some kind. We dined at the family home and had a splendid dinner of turkey, cranberry pies and cake.

Tom Foster has taken up his abode in an old house on the Higginbotham farm. The house is about the center of a large field. Dr. Ellis told him that he had the Manila itch. He has done his own cooking and takes his shot gun and hunts some every day and those who go near enough to talk to him say that no sign of small pox is visible, but many of our people are afraid and will insist on him staying in his present quarters for 30 days yet.

The China pheasants are beginning to feel happy now but the time is not far distant when the China pheasants will be found in the bird shows and they will be stuffed (with saw dust.) What grand hunting that would be! The small boy could shoot at one of those birds all day and not get his feet wet and then he could get close enough to hit one of those birds and he wouldn't need a dog, and the dogs would be glad for they are shot as often as the birds at present.

Miss Mae Redford, of Curry county, is visiting friends here.

The repair gang are now working between showers.

Miss Carrie Shearer, of the O. A. C., is visiting with her parents.

Mr. Shearer, the venerable carrier of rural mail, was overloaded on Thanksgiving day, turkey and cake, more than he could eat. The people are well pleased with his service for they are sure that their mail will be in the box on time if it does rain and they don't have to go to the post office these dark evenings.

Gave Up Colon.

COLON, Nov. 29.—The terms of surrender agreed upon at yesterday's conference on the United States gunboat Marietta, and at which the commanding officer of the Marietta of the British cruiser Tribune and of the French cruiser Suchet; Lieutenant Ommannes McCrea, of the Machias; Captain Perry, of the Iowa; Generals Sibau and Jeffries, representing the Government of Colombia, and Senor de la Rosa, who represented the Liberal party, were present, call for the abandonment of Colon.

Oregon Improvements.

WASHINGTON, Nov. 29.—Senator Mitchell has had a conference with General Gillespie on Oregon river and harbor work. The Chief of Engineers is very much interested in Pacific Northwest improvements and says he will do all he can to further them in the river and harbor bill.

As to the obstructions at Cellio and The Dalles, General Gillespie says it is a matter for Congress to determine and decide what improvements shall be made.

80 Killed

DETROIT, Mich., 29.—An interview this morning with Thomas E. Moran, Deputy Customs Collector at this port, partially verifies the estimate that at least 80 lives were lost in Wednesday night's wreck on the Wabash near Seneca. The two immigrant cars in which the greatest loss of life occurred and in which so many of the wreck victims were roasted to death were part of train No. 13.

Troops Needed.

LONDON, Nov. 30.—The correspondent of the Times in Pretoria, where recent dispatches giving the number of Boer commandoes are supposed to have been allowed to pass through the consensio as a warning that more troops are needed in South Africa, today sends a sketch of the position of the British columns and states explicitly that men are needed to expedite the attrition of the Boers.

Oregon Wheat.

SALT LAKE CITY, Nov. 29.—Local millers and wheat and flour dealers were made happy today by the announcement that a 40-cent rate on Oregon wheat had been agreed upon by the Oregon Short Line and the O. R. & N. Companies. At this rate wheat grown in the Palouse country and Eastern Oregon can and will be shipped into Utah and bring 72 to 75 cents per bushel here.

A Democrat.

BOISE, Idaho, Nov. 29.—United States Senator Henry Heilthold of this state, has addressed a letter to D. H. Andrews of this city, chairman of the Populist State Central Committee announcing his withdrawal from the Populist party and his affiliation with the Democracy.

A Thanksgiving Social.

The social at Sand Ridge grange hall Thanksgiving evening was a decided success.

There was singing by a choir; songs, sentimental, by the Misses Grace and Ethel Swank and also some in Chinook; recitations, humorous and otherwise and instrumental music, organ and cornet. "The Deacon's Confession" by Miss Leona Francis was splendidly rendered. The address of Mr. Cyrus H. Walker upon "Why I am a Granger" was well listened to.

Grand Prairie grange was well represented.

Twenty-seven baskets were auctioned off by W. W. Crawford netting over \$22.00 enough to build ample shed room for shelter, for which to secure funds, was the main object of this social. All the baskets were tasty and beautiful, some marvels of woman's handiwork. The lunches therein were fine and substantial.

Sand Ridge has a beautiful hall, all the more so when decorated as last evening. Standing on an eminence, almost under the shadow of the grand towering Peterson's Butte, it should be a thing of pride and joy forever. Surely none can but wish that peace and prosperity may ever be within her walls.

Jumped on a Ten Penny Nail.

The little daughter of Mr. J. N. Powell jumped on an inverted rake made of ten penny nails, and thrust one nail entirely through her foot and a second one half way through. Chamberlain's Pain Balm was promptly applied and five minutes later the pain disappeared and no more suffering was experienced. In three days the child was wearing her shoe as usual and with absolutely no discomfort. Mr. Powell is a well known merchant of Forkland, Va. Pain Balm is an anti-septic and heals such injuries without maturation and in one-third the time required by the usual treatment. For sale by all druggists.

F. A. WERMAN, OF BALTIMORE, SAYS:

Baltimore, Md., March 30, 1902.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain
Very truly yours,
