Dawson's New Golden Chaff has neaded the list eight years in succession at Guelph Experimental Farm, Canada, of an average 120 varieties per year, ias also been five years a head of all others in the esstern states and this last two years a head in Oregon, got lat and 2nd premiums at the state fair in 901. Re-

Price. \$1.00 per bu., over 10 bus. \$1.25 under 10 bas. Taken at the field 75c per bu. For sale at Stewart & Soz's an Magnolis Mills.

JOHN LENNOX, R. F. D. 2.

NOT THIS YEAR.

The board of regents of the O. A. C., of Corvailie, extended President Roosevelt an invitation to be present at the

dedication of the new agreatural hall on October 15, while in the Northwest Mr. Weatherford in his letter to he President said:

The Agricultural College of Oregon is completing the largest college building in the state of Oregon, to be used for the purpose of teaching agriculture in its various branches. We desire to properly dedicate this building in October next and we expect to have present on that occasion a large garliering of farmers, the state officers, members of the state officers, members of the state eighelature, patrons of the school and the five sr six hundred students. All parts of the state will be represented. We hope to make this remarkable poch in the history of the school and state. As president of the board of regents and at their request I have the pleasure and honor of asking you to favor us with your presence and address the matting of people assembled, any day in October next which will suit your convenience will be satisfactory to us Your presence, my dear sit, will be highly aspreciated ty the people of Oregon and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest in the exercises and faculty of the college, and will greatly increase the interest forever. I sincerely that you may be able to be with us on that occasion.

The following letter was received this week by the President of the board at the faculty of the

The following letter was received this week by the President of the board at

White House, Washington, Aug. 14, 1902
My Dear Sir:—
Your favor of the 9th instant has been received, and the President greatly appreciates the cordinal invitation you have been good enough to extend to him.

While it would afford the President pleasure to send an acceptance here-

pleasure to send an acceptance he re-grets that it will be impossible for him to visit the Pacific Coast States this

year. Thanking you in the President's behalf for your thoughtfulness and courtes; believe me

Very Truly Yours, GEO. B. CORTELYON, Secretary to the President.

K. WEATHERFORD.
President, Board of Regents.
State Agricultural College
Albany, Oregon.

An Up-to-date Production.

Just why people will continue to flock to see Uncle Tom's Cabia is, as Lord Dundreary would say, "One of those things that no fellow could find out.' But they will continue to go and see it just as they have been doing for thirty just as they have been doing for thirty years. No play has been more abused than this one. It has been done in dime museums at the rate of ten times a Jay, and in one-night stands in an hour and a half, by five or six people. On the other hand, it has been given as a legimare production. But it was not until Warren & Dav brought their \$10,000 production out that the admirers of the play had the pleasure of seeing it put on the sta e in a manner that they could appreciate.

the eta e in a manner that they could appreciate.

Taking the piece as it was orginally, Warren & Day give it a dressing of complete and realistic scenery, put the principal roles into competent hands, engaged a number of negroes to add to the pictures and sing nd dance in the leves scenes—in fact, did sli in their power to make the performance acceptable to the public.

In Albany for one night only, Monday, Sept 1st. The performance takes place in a huge tent on the S. P. R. R. Grounds.

53 cents for wheat in Corvallie, 54% cents in Albany, tells the story.
