Starting and Staying.

At the start in a long race, the advantage often appears to be with an outsider. But the race is won not in starting but in staying. The quality which wins is staying power. It is so in the race of life. Staying power wins, and as a rule the best stayer is the man with the best stayer is the man with the best at omach. All physical strength is derived from food which is properly digested and assimilated. When the food eaten is only partly digested and assimilated there is a loss of nutrition which means a loss of strength and the general result is physical break-down. break-down.

Dr. Pierce's Golden Medical Discovery gives strength and staying power, because it cures diseases of the stomach and other organs of digestion and nutrition. It enables the perfect digestion and assimilation of the food eaten, and so strengthens the body naturally by the nutrition derived from food.

"I was troubled with indigestion for about two years," writes Wm. Rowker, Esq., of Juliacita, Lotah Co., Idaho. "I tried different doctors and remedies but to no avail, until I wrote to you and you told me what to do. I suffered with a phin in my stomach and left side and thought that it would kill me. Now I am glad to write this and let you know that I am all right. I can do my work now without pain and I don't have that tired feeling that I used to have. Five bottles of Dr. Pierce's Golden Medical Discovery and two vials of his 'Pleasant Fellets' cured me."

A Cure for Cholera Intantum

"Last May" says Mrs Curtis Baker, of Bookwalter; Ohio, "an infant child of our seighcor's was sufforing from cholera infantum. The doctor had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two day's time the child had fully recovered, and is now (nearly a year since) a vigorous healthy girl.
