## THEATRICAL.

### Well Presented.

The presentation of Hall Osine's beautiful story *The Penitent* at the Albany Grand Opera House last evening was one of the best in the history of Albany. The settings were beautiful and the acting was first-class, every part being well presented, the hero, the heroine, the Jew peddler, the mother, the red headed Irish servant girl, the pit foreman and his daughter, all were splendidly presented. There was a big house. The Albany Orchestra, in connection with the new theater are receiving many compliments for their excellent work.

### Sousa Was Here.

The famous Sousa Band was heard at the Albany Grand Opera House this afternoon before a good sized audience from Albany and surrounding country. The music came up to the highest expectation of our people, offering them a rare treat. Not only that of the Band but of the soloists accompanying the Band.

### The "Lyric Queen."

The Georgia Harper Co. opened their engagement here last night. The play presented was the "Lyric Queen," a very powerful one in four acts, and to say it was well presented would be putting it mildly. Georgia Harper as "Queen" was superb. She is a beautiful woman and has splendid talent, two qualifications seldom found in the actresses of today. She played her part in a faultless manner, and held the interest of the audience from first to last. Her magnificent costumes were the finest ever seen here. As usual "Town Talk," Sept. 28. At Albany Monday evening.

Coming Miss Georgia Harper and her excellent company in "The Lyric Queen" for the first time at popular prices.

### In Switzerland.

LONDON, Oct. 11.—Special dispatches received here from Geneva report the situation there as very serious. ### The Royal Month and the Royal Disease.

Sudden changes of weather are especially trying, and probably to none more so than to the scrofulous and consumptive. The progress of scrofula during a normal October is commonly great. We never think of scrofula—its buncoes, cutaneous eruptions, and wasting of the bodily substance—without thinking of the great good many sufferers from it have derived from Hood's Sarsaparilla, whose radical and permanent cures of this one disease are enough to make it the most famous medicine in the world. There is probably not a city or town where Hood's Sarsaparilla has not proved its merit in more homes than one, in restoring and completely eradicating scrofula which is almost as serious and as much to be feared as its near relative, consumption.

A scrap between a brakeman and a couple of hobos livened things up at the depot at noon Wednesday. One of the hobos threw a rock through a car window, striking a traveling man. This fact, however was not known to our officers until after the train reached Albany.—Jefferson Review.

A Corvallis boy was arrested for disturbing a meeting of the Salvation Army. Two of his friends in order to clear him swore that they made just as much noise themselves. They were also promptly arrested and the whole three fined \$10 apiece. Corvallis is not very sleepy after all.

## Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. OHENEY & Co., Toledo, Sold by druggists, 75c. Hall's Family Pills are the best.

## A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a lone bicycle trip," says F. L. Taylor, of New Albany, Bradford County, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip, when Editor Ward, of the Leceville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy and this time two doses cured me." Sold by all druggists.

## MISS FAY LEE,

President of the Shakespearian Club, Kansas City.

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

Miss Fay Lee.

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, 608 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.
