HOME AND ABROAD.

There are a good many chances for slips yet in the miner's strike. May they not occur.

Pacific University won a game of football, defeating the strong team of the Agricultural College at Pullman 6 to 5.

Rev. C. W. Hayes, of Grants Pass, has been called to the pastorate of the St. Johns Presbyterian church of Portland, and has accepted the same.

George Drake, a Salem darkey well known in Albany, yesterday was found guilty of adultery by the circuit court and will be sentenced next Tuesday.

Prof. Frank Strong, former president of the U. of O. was yesterday formally installed as president of the Kansas State University.

Merchant Lipton of England has sand in his craw. He has issued his third challenge for the American yacht cup. Every trial costs nearly a million dollars.

District Attorney J. N. Hart has decided not to file informations against Clyde Ramsby, Roy Ramsby and Barrett Purdy, the young men who were last summer held to answer to a charge of taking \$3800 in gold hidden in the woodshed of her home by Mrs. Elizabeth Ewing of Hubbard.—Cor. Oregonian.

The Greatest.

The Wm. H. West Big Minstrel Jubilee which will appear at the Albany Opera House Oct. 22, can truthfully be called the greatest collection of burnt cork artists ever enrolled under one banner. This season the management has entirely outdone all previous efforts, having gathered together the brightest constellation of American and European artists ever brought together in one minstrel organization. This new first part this season, entitled, "A Summer Hotel in the Mountains," is said to be a marvel of beauty and represents an entirely new idea, for with beautiful coloring and myriads of electric lights it is a bewildering, dazzling spectacle when the curtain rises.

TELEGRAPHIC.

Important Move.

New York, Oct. 17.—It has been definitely decided that the Oregon Short Line will build and operate on the Pacific Ocean at least one line of Oriental steamers and a coasting service as great as the traffic may demand. Beyond the mere statement, there is nothing official forthcoming as to the project in detail. The headquarters of the service will be Portland, Or.

The Columbia.

WASHINGTON, Oct. 17.—Recognizing the demand for a deep channel at the mouth of the Columbia River, Secretary Root today authorized the Chief of Engineers to convert the Army transport Grant into a sea dredge, and to commence operations on the bar at the earliest possible date.

National W. C. T. U.

PORTLAND, Me., Oct. 17.—The 28th annual convention of the National Woman's Christian Temperance Union opened here today. Every state in the Union is represented. Mr. L. N. Stevens, president of the National W. C. T. U., and vice president of the World's W. C. T. U., presided. Lady Henry Somerset, president of the World's W. C. T. U., and Rev. Henry S. Sanders, of London, England, are among the distinguished workers present.

A Big Murder.

New York, Oct. 17.—Using a new automatic magazine pistol. W. C. Turner, ex-president and treasurer of the Olimax Bottling Co., today shot and killed W. J. Mallard, secretary and treasurer, and Robert Hamilton, its president, and then killed himself. The shooting was caused by a quarrel.

A Splendid Showing.

PORTLAND, Oct. 17.—Never before in its history has there been such an enormous and valuable output of the products of Oregon. Taking the product of nine of the leading industries of the state and the value for the year is over \$41,000,000, an average of about \$100 for every man, woman and child.

No other state in the Union, nor any other locality of similar size anywhere on the face of the earth, can make such an astonishing showing.

Quick Justice.

NACOGDOCHES, Tex., Oct. 17.—Jim Buchanan, colored, the murderer of the Hicks family, was tried today, a plea of guilty was accepted by the Judge, and the negro was legally hanged within two hours after sentence had been passed.

Scio.

From the News: Mr. and Mrs. Fred Veal and children, of Albany, were the guests over Sunday of Mr. and Mrs. R. E. Hibler.

G. L. Sutherland left Wednesday for Green Castle, Indiana.

F. A. Beckman, of Brownsville, was in our city the first of the week with a view to leasing the Scio creamery. No definite arrangements were made.

Henry Myer and others who left for Grants Pass in search of timber claims last week, returned Monday having failed to locate, the timber being too far from a possible market.

The Shindler bridge, across the Thomas Creek has been condemned. This does not inconvenience travel, however, as there is a good road in both directions of the creek.

On October 12, 1902, at the home of the bride's parents, five miles east of Scio, Mr. John Roner of Albany, and Miss Lily Shindler, R. Shindler justice of the peace officiating. Those present were Mr. and Mrs. Joseph Roner and family, of Larwood, parents of the bridegroom, Mr. and Mrs. Frank Shindler, of Albany, and Mary and F. Burach, of Scio. A fine dinner was served and a splendid time enjoyed by all. Mr. and Mrs. Roner have the best wishes of all.

Lebanon.

From the E. A.: Mrs. S. O. Burkhardt, of Albany, is visiting in this city, the guest of Mrs. L. L. Gunsaul.

Hon. M. A. Miller was in Eugene yesterday to deliver an address to Modern Woodmen. He is in Salem today and will go to Portland tomorrow on the same business.

Hon. M. A. Miller and daughter, Miss Sona, returned Tuesday from a visit at Portland and Forest Grove. Mr. Miller found living at Cottage Grove two granddaughters whom he had not seen since they were little girls.

Lee Bilyen, of Scio, spent last night in Lebanon. He was on his way home from a visit to Southern Oregon. He went down there to look for a stock range, but did not find as good ones as there are in this county.

The drug store of Frank Miller, at Prairie City, was burned a little over a week ago. We have not learned the particulars, but it is reported that he not only lost his stock of drugs, but also his household goods.

Mrs. C. H. Moskos representing the National Body Brace Co. will be in Albany Oct. 24 at the Ravers House for four (4) days.

ANOTHER TEST CASE.

Bright's Disease and Diabetes Are Positively Curable.

While the Fulton Compounds were under examination, one of the investigators went to one of the best known physicians in San Francisco and asked him to name a certain case of Bright's disease for a test. He named G. H. Allen of El Paso, a former conductor of the S. P. Co., as beyond human aid. Eight physicians had declared the case chronic Bright's disease. It was typical—albumen, casts, dropsy, sleeplessness, night sweats, and usual weakness, pain and distress. Patient went on the Compound June 8, 1901. We now copy from the written report:

June 15.—Improvement. Skin clearer. Color better. Albumen decreasing. Patient much encouraged.

June 22.—Continued improvement. More ambitions. Albumen diminishing. Night sweats beginning to yield.

July 13.—Not so favorable. Went to the country and began to bloat. Returned and feeling better, though not probably quite so well as last report. A favorable indication is the disappearance of the night sweats.

July 19.—Dropsy again disappearing. Albumen getting less and less.

Aug. 1.—Improvement continues.

Aug. 18.—Patient claims he is nearly well. Continued improvement, and patient recommended for light employment. Double analysis by railroad surgeons in El Paso show as follows:

Spec. Grav. 1.028 Reaction Acid Sugar None Albumen Trace Exam. for Gout None

At this writing, January 10, 1902, patient is not yet entirely recovered, but is still on the treatment and getting better continually.

Medical works agree that Bright's Disease and Diabetes are incurable, but 87 per cent. are positively recovering under the Fulton Compounds. Common forms of kidney complaint and rheumatism offer but short resistance. Price, \$1 for the Bright's Disease and \$1.50 for the Diabetic Compound. John J. Fulton Co., 409 Montgomery St., San Francisco, sole compounders. Free tests made for patients. Descriptive pamphlets mailed free.

Barkhart & Lee, sole agents.

MISFITS.

Even lawyers are not safe. Two were killed in Pittsburg, Penn., yesterday.

Clear the floor. Governor Geer will lead the march of a labor union ball at Salem next Friday night.

There is no danger of the trust business soaring. Yesterday a big candy trust was pulled upon the people.

The Oregon and Pacific is the name of a new railroad that is being built on paper in Southern Oregon. That has a familiar ring to it. Wonder if 140 miles will cost \$15,000,000.

The Portland city council are investigating the question of whether slot machines are gambling devices or not. The result will probably depend upon the character of the members of the investigating committee.

If Albany should make a good showing against Eugene this afternoon at foot ball, or rather against Oracou, the town wouldn't be big enough to hold the boys. Last year's glory of defeating the O. A. C. would be eclipsed.
