The Best Remedy for Croup

[From the Atchison, Kan., Daily Globe.] This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as rare to be lost in case of burglary. There used to be an old-fashioned remedy for croup, known as hive syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by all druggists.

Henderson a Candidate.
WASHINGTON, Nov. 7.—The story comes from Iowa that Speaker Henderson has announced himself for Governor of that state in opposition to Cummins. Henderson has said privately that Cummins' opposition to him and the many annoyances the Governor subjected him to caused him to get out of the Congressional fight. It is said that Henderson in order to vindicate himself, will make the campaign on the protection issue as again Cummins and his tariff-revision idea.

Pardee's Majority.
SAN FRANCISCO, Nov. 7.—Advices from various parts of the state show that several thousand ballots at Tuesday's state election were thrown out by precinct officers because voters marked with a cross spaces on the ballot left vacant because of political parties to make nominations. At the present stage of the count Pardee has a majority of only about 1700 votes.

Don't Want Revision.
WASHINGTON, Nov. 7.—Some of the Eastern Republicans are already making a stand for no tariff revision. Senator Scott of West Virginia, declares: "I do not want a single line of the present tariff bill changed. Representative Butler of Pennsylvania, says that the same is true of his state, and that the speech of President Cleveland, in favor of revision of tariff, turned 50,000 votes away from the Democratic nominees for Congress."

Colorado Politics.
DENVER, Nov. 7.—At a caucus today of a number of Democratic members of the new Legislature, it was decided that if the Republicans take revolutionary tactics to unseat Teller men in the House, the Senate, which is strongly Democratic, shall not meet in joint session with the House, and shall deadlock the Legislature, making impossible the election of a successor to Senator Teller.

The Canal Treaty.
WASHINGTON, Nov. 7.—The conference between Secretary Hay and Colombian Minister Concha who are engaged in the preparation of the projected Panama canal treaty continues. The negotiations are proceeding satisfactorily and it is predicted that the terms of a treaty will be agreed upon soon.

Prominent Men Held.
SAN FRANCISCO, Nov. 6.—T. H. Williams, Jr., president of the California Jockey Club, and Truxton Beale, ex-United States Minister to Persia, were today held for trial by the Superior Court for an alleged assault with intent to kill on Frederick Marriot, editor of the News Letter.

To-Night.

If the old saying that "music hath charm to soothe the savage breast" possesses any truth, it would behoove all persons in the community having savage instincts to attend the performances of "Hello Bill" at the opera house, tonight as it is stated that the musical interpolations in this jolly play. This season are of uncommon tunefulness, and that they are of the extremely catchy and whistle-able type. Messrs. Goodhue & Kellogg have tried to cull the choicest blooms of the music publishers for this season's offering of "Hello Bill," including the famous "Mr. Dooley," the greatest song-hit New York has known for years.

Ed Davidson: "I sold nine ironing boards in a week and everybody likes them. I also make clothes racks and window seats and anything else wanted. One of my window seats is the most convenient thing in a house. Just tell the people to call on me for these things."

Finnegan's Ball.

The bill boards, window spaces and dead walls announce the coming of Gallager and Barret in that famous farce comedy, "Finnegan's Ball," at the Opera House on Tuesday night. We are assured that the piece over theaters will witness this season bears very little resemblance to last year's "Ball." The management appreciate the necessity of keeping their farce comedy right up to date, and during the past summer extensive alterations have been made, so that it will appear like a new piece this season. New music, specialties, songs and dances have been introduced, and all old material put aside. A number of new faces will be seen in the company, including a chorus of handsome ladies.

Two Lebanon Men Struck It.

According to the following from the Ashland Town Talk, two former Lebanon men, J. H. Most and W. J. Unger, have struck it rich at Ashland:

A big mining sale has just been consummated in Ashland, eight quartz properties being disposed of for \$80,000. The chief mine in the deal is the "Whale" on Wagner butte, and the other seven claims are extensions to this property.

Allen Davis, H. E. Mitchell, J. H. Most, S. B. Stoner, E. A. Carter, Dr. M. F. Shaw, A. Mosier and W. J. Unger were the owners of the "Whale" and six extensions, these gentlemen getting \$70,000 by the deal. The eighth claim was owned by Jack Garvin and goes for \$10,000.

The purchasers are a Colorado mining syndicate. A cash deposit has been made and more cash is to change hands on the deal.

MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

WINE OF CARDUI
is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body. Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the following praise on Wine of Cardui:
"Among the numerous medicines placed before suffering women for their relief none can touch McEfree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."
If you are suffering from female weakness Wine of Cardui is the medicine you need.
You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

WINE of CARDUI A million suffering women have found relief in Wine of Cardui.
