Old Coughs New coughs are bad enough; old coughs are worse. They make you think of bronchitis or consumption. Ayer's Cherry Pectoral cures consumption. Not all cases, but very many. J. C. Ayer Co., Lowell, Mass.

Our stock has been greatly reduced caused by such slaughtering of prices during carnival week, but as we wanted to rid our store of summer hats we started this sale of:

All Hats at Half Price

while there was still a demand and will continue until our Summer Stock is gone. Our aim of carrying a most clean stock of new season goods with UP-TO-DATE styles necessitates these great reductions. Our loss in this sale is figured with us as so much advertising and hope to be reimbursed by your esteemed patronage during our fall season.

THE USE OF NARCOTIC POISONS

And mercury in the treatment of piles was begun in the dark ages, giving temporary relief only by paralyzing the bowels and do not cure, but in reality weaken the parts and prevent nature from restoring the bowel to a healthy condition, as any honest and intelligent druggist or doctor will admit, and as may be seen by reference to the United States Dispensary, which says: "Opium lessens the natural motion of the bowels, its local effect is the same as its general operation; it causes paralysis of the motor nerves, it reduces muscular strength, belladonna produces paralytic symptoms; hyoscyamus and stramonium are same as belladonna. They do not exercise any curative influence."

The following is in substance the expression of all up-to-date druggists: "In twenty-eight years experience I have prepared all manner of narcotic and mercurial preparations for piles, but none to my knowledge ever cured a single case."—P. B. Sprague, druggist, Lincoln, Neb. E-R-U-S-A. Pile Cure is the only non-poisonous pile cure on the market. Over 4000 of the most intelligent and up-to-date druggists sell and endorse it. E-R-U-S-A. cures piles, or 50¢ paid. Worst cases of piles cured with one box. All reliable, up-to-date druggists sell E-R-U-S-A, viz: BURKHART & LEE.

TELEGRAPHIC.

A Big Wreck.

DURAND Mich., Aug. 7.—An air brake refusing to work on the second section of Wallace Bros' circus train caused a rear-end collision with the first section in the yards of the Grand Trunk Railroad at an early hour this morning, in which 23 people were killed outright and more than a dozen injured.

The Proper Decision.

OLMPIA, Wash., Aug. 7.—The case brought to test the constitutionality of the law passed by the late Legislature making the maintaining of gambling resorts or games a felony has resulted in the upholding of the law by the Supreme Court. As a direct result of the decision a large number of gamblers who since June 12 have been out of employment and have been hanging on in hopes the law would be knocked out will seek other employment or leave the state.

Fastest On Record.

LOS ANGELES, Cal., Aug. 7.—At 1:00 o'clock this afternoon the special train bearing Henry P. Lowe, a mining man of Denver drove in at La Grande station, having completed a run from the Atlantic to the Pacific, a distance of more than 3200 miles in the fastest time on record.

Put Him Out.

WASHINGTON, Aug. 7.—T. A. Wood, of Portland, the moving spirit in the Indian War Veterans Association, has become involved in serious trouble with the Pension Bureau, which may lead to his debarment from practice before the Interior Department, if charges lodged against him are found to be true.

Miles Is Out.

WASHINGTON, Aug. 8.—The retirement from active service, by the President, August 8, 1903, of Lieutenant-General Nelson A. Miles, U. S. A., by operation of law, under the provisions of the act of Congress, approved June 30, 1882, is announced. Lieutenant-General Miles will proceed to his home. The travel enjoined is necessary for the public service.

Another Killing.

WOODLAND, Cal., Aug. 7.—Another fatality has resulted in the pursuit of the convicts who escaped from the Folsom Prison. An unknown man was killed near Davisville tonight. While his identity has not been established it seems almost certain he was not one of the convicts. The man was seen acting queerly near a farmhouse and when called upon by officers to surrender started to run. The officers fired at him killing him instantly.

MISFITS.

There is something doing all the time in the train wrecking business.

Astoria is temporarily lifted up with the prospect of becoming a great railroad terminus. Perhaps.

Dewey was in close quarters in Manila harbor, but it was nothing compared with the quarters of his namesake, the Dewey slot machine.

San Francisco is soon to be treated to probably the greatest prize fight since in the history of the business. Poor old Jim Corbett, broken down and about out of money, has got to do something to fill his pocket book, and get him a renewed reputation for his theatrical engagements, so he has entered the ring again.

One of the attractions at the Bay this season is an hypnotic show. Six Albany young men, in for some fun, have been the subjects, and it is said have made good ones, doing the stunts with great soberness. On one occasion the hypnotist remarked: "Boys, your best girls are in the rear of the hall." They rushed wildly back and several girls received some live smacks.

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of the cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by all druggists.

Boy Cured of Colic After Physician's Treatment Had Failed.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a spoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered. — F. L. WILKINS, Shell Lake, Wis. Mr. Wilkins is book-keeper for the Shell Lake Lumber Co. For sale by all druggists.

WALL PAPER CHEAP.

During the month of August we shall offer our entire line of Wall Paper, practically at cost. Drop and take a look at many new and up-to-date patterns. Make your home beautiful with little cost. Call and see us. BURKHART & LEE.

SODAVILLE WATER—The best soda water in the county, at the Pfeiffer Oyster Parlors, by the drink or bottle. Healthful and refreshing. On tap all the time.

Viereck's Exhilarant Hair Tonic restores hair to its original color. Viereck's Exema and Dandruff Cure or money refunded. 50c per bottle.

Our Prices? Well they are simply all right. Try and see. C. E. BROWNELL, Second St.

A LECTURE ON ELECTRICITY.

Electricity commenced its career at the breaking morn of creation, with few passengers on board and has continued its course with increasing speed and growing glory down to the present moment. It now travels with the brilliancy and rapidity of the lightning's blaze, and even compels the very lightnings to speak in a familiar voice to man. The chariot of science is destined to continue its majestic course, in duration coeval with our globe. Genius is supremely higher than talents, and no man of genius has ever opposed electricity in its wonderful workings. This shows that if it was considered unworthy of doing all that is claimed for it that it would fall by the wayside and be discarded the same as all worthless things that are cast aside. Dr. Darrin at Hotel Revere is an advanced thinker on the applications of electricity for the cure of disease and to prove his skill we enumerate many cures performed by him, and would suggest to the thinking minds that today cures are being performed by this subtle agency, that seemed impossible ten years ago. Among the many successfully treated may be mentioned ex-Senator Geo. Chandler's son of Baker City, who had trouble and general debility; cured and gained 30 pounds. F. H. Hohn, 247 Commercial street, Salem, catarrh, cured. J. W. Pate, Jefferson, Ore., rheumatism and diabetes, cured. Reuben Lee and wife, Turner, Ore., sciatic rheumatism and cough, restored. Mrs. C. Plegg, Salem, varicose ulcers on both limbs, cured. B. Baxter, Ferry street, Salem, tumor, cured. Miss Irene Ashford, Albany, Ore., discharging ear, cured. J. S. Hester, Salem, liver complaint and dyspepsia, cured. Mrs. Beulah Ross, of Salem, was in Albany last week visiting friends. She formerly lived near here. Mrs. Ross is very enthusiastic over her recovered health. She was cured by Dr. Darrin last summer, in Salem, her afflictions being chronic dyspepsia, liver and kidney troubles thought to be incurable.

Drs. Darrin's Place of Business Dr. Darrin is located at the Revere Hotel and will give free examination to all. 10 to 5 or 7 to 8 daily. The poor free and those able to pay at the rate of \$5 a week or in that proportion of time the case may require. All curable chronic diseases of men and women a specialty. This is the first visit of the head of the Portland firm of Drs. Darrin to this city.
