

Nothing Known

Will Cure Kidney Diseases After They Have Fastened and Become Chronic But the Fulton Compounds. We Have Secured the Sole Agency for This City.

Fulton's Renal Compound enjoys the unique distinction of being the only thing known that cures kidney trouble in all its stages from the primary inflammation up to and including the chronic stage called Bright's Disease, which has been up to the present of this Compound, positively incurable. Then why not start with the Renal Compound at first rather than ordinary kidney medicines, all of which fall short if the disease has reached the chronic stage? Then you will know you are right. No statements are published by the Fulton people except cases that have reached the chronic stage, incurable by all other known medicines. Here is another recovery we are permitted to refer to.

Mrs. E. E. Cline of 1777 Broadway, San Francisco, was pronounced by her physician as incurably ill with kidney disease that had become chronic (Bright's Disease). She also had diabetes. Another physician was called in. Dropsy had set in, the nails came off and he too said nothing known would give her. She was so far beyond help they told her not to further torture herself by dieting. She went on the Fulton Compound. The third week she was slightly better. The third month she was well and began dropping the treatment. An attorney friend of Mrs. Cline, Judge E. H. Culler of 330 Pine street, San Francisco, had diabetes that is also incurable according to the books. Knowing of her recovery he too took the Fulton Compound and in eight months regained his health and is now in active practice. Dropsy, rheumatism from uric acid, gout, pain in the back, bladder trouble, etc., are proofs that the kidneys are in trouble. The last stage is Bright's Disease and Diabetes. If you are feeling languid or miserable send for pamphlet. Recoveries nearly 90% among those hitherto incurable diseases. Fulton's Renal Compound for Bright's and Kidney Diseases 211 for Diabetes \$1.25. Fulton Co., 469 Washington street, San Francisco, sole compounders. We are their exclusive agents in this city.

His Life Saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy

"B. L. Byer, a well known cooper of this town, says he believes Chamberlain's Colic, Cholera and Diarrhoea Remedy saved his life last summer. Little, merchant, Hancock, Md. For sale by all druggists.

Stomach Trouble

"I have been troubled with my stomach for the past four years," says D. L. Beach, of Cloyer Nox Farm, Greenfield, Mass. "A few days ago I was induced to buy a box of Chamberlain's Stomach and Liver Tablets. I have taken part of them and feel a great deal better." If you have any trouble with your stomach, try a box of these Tablets. You are certain to be pleased with the result. Price 25 cents. For sale by all druggists.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all druggists.

The Genuine vs. Counterfeits.

The genuine is always better than a counterfeit, but the truth of this statement is never more forcibly realized or more thoroughly appreciated than when you compare the genuine DeWitt's Witch Hazel Salve with the many counterfeits and worthless substitutes that are on the market. W. S. Ledbetter, of Shreveport, La., says: "After using numerous other remedies without benefit, one box of DeWitt's Witch Hazel Salve cured me." For bilious, bleeding, itching and protruding piles no remedy is equal to DeWitt's Witch Hazel Salve. Sold by Foshy & Mason, Burkhardt & Lee.

Owes His Life to a Neighbor's Kindness.

Mt. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighborhood hearing of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by all druggists.
