HOME AND ABROAD.

Orawforville has a new bridge of Rebecas with Ella Green as N. G.

The U. S. grand jury has indicted Horace McKinley, the timber land man, on a separate indictment on the charge of forgery.

Dr. S. S. Thayer has moved from Toledo to Brownsville to practice his profession.

Moses Zoonsman died at Brownsville recently at the age of 72 years. Among his six children is Thos. Zoonsman, for a number of years a resident of Albany, now of Portland.

A private letter received in Albany tells of an epidemic of typhoid fever in North Yakima, Wash., with two hundred cases in all. On one day there were four deaths from it.

Edgar F. Averill, of Brownsville, is president of the student body of Willamette, editor of the Collegian besides being president of several societies and manager of the basket ball team.

Oregon's Supreme Court. SALEM, Oct. 30.—Oct. 31 appealed cases decided by the Supreme Court and reported in Volume 42 of the Oregon Supreme Court reports, 57 were affirmed 23 reversed and four modified. It thus appears that almost 70 per cent of the appealed cases the decisions of the courts below were affirmed.

New patents: J G Evans, Baker City Ore., draft equalization clevis; H O Fry, Cosmopolis, Wash., gaging and counting attachment for woodworking machine; S A Gibbs, Tacoma, Wash., motor; G D Potter, Spokane, Wash., breech loading breakdown.

The U. S. jury at Portland yesterday found an indictment against Commander T. A. Wood of the Indian war veterans, and his son Hoses, charging them with making false affidavits in the procuring of pensions. It looks serious for the Woods.

F. G. Powers, of Lebanon, was recently driving home from Brownsville, when he ran into the county rock crusher in the middle of the road near the Denny school house. An iron rod ran into one of the horses and killed it instantly. What business has a rock crusher being left in the middle of the road.

M. Jacob Sandner died at the home of his son near Stayton on Thursday at the advanced age of 85 years, and was buried in the city cemetery at Albany yesterday afternoon. He was born in Austria and came to the United States fifty years ago, settling in Wisconsin, moving to Oregon sixteen years ago. He leaves three sons, John, of Stayton, Joseph of Fairfax, Wash., and Jacob S. of Tacoma, and two daughters in Wisconsin.

TELEGRAPHIC.

A Bad Wreck.
PARKER, Cal., Oct. 30.—By an act of train wreckers, east-bound Santa Fe passenger train No. 9, in which was one car filled with eastern bankers homeward bound from California, was derailed at 1:30 o'clock this morning at Apishapa Creek, 25 miles east of this city, and breaking down the steel bridge, the engine and four cars following plunged to the bed of the creek, where they were piled in a mass of wreckage. Thirty or more trainmen and passengers were injured, but none killed.

The Holy Rollers.
CORVALLIS, Oct. 30.—This town has been agog for 24 hours with the doings of a religious sect who call themselves "God's Anointed," but whom sinners called "The Holy Rollers." In the fanaticism of the devotees, the enthusiasts have burned furniture, carpets, clothing and many other articles, and have destroyed or buried cooking utensils. Musical instruments of all kinds, without regard to value or cost, have been delivered to the flames.

The Crazy Dowlettes.
PIPERSTEM, W. Va., Oct. 30.—Mrs. Rachel Bailey, a follower of Dowie, he'd a meeting here, and like the doughty Elijah II, who is now in New York city, she left nothing undone to insult the intelligence of her hearers. The crowd finally tired of her abuse, and a free-for-all fight followed, which soon resulted in the precipitate flight of Mrs. Bailey and her followers.

A Bride Stolen.
SAN FRANCISCO, Oct. 30.—To have his bride kidnaped and carried off less than an hour after being married, was the misfortune that last night befell Harry Dunning Lee, a young assayer from Portland, who has been acting as Chief Chemist of the Confidence Cyanide Plant of Tuolumne county, last night. He found her after a long search.

Acting Governor.
SALEM, Oct. 30.—It was announced this morning, after the decision in the Louis Dalton habeas corpus case in Portland, that Secretary of State Dunbar, as acting Governor, yesterday issued a warrant of arrest to be served upon Dalton in case he should be released.

MISFITS.

Of course the street car will be kept going.

The curfew law should be enforced. Boys have no business on the streets at night.

The U. S. grand jury at Portland is finding out the sins of a good many people.

It would be a good thing for the community if kicking was confined to foot ball.

Hallowe'en tonight. It is to be hoped the boys are half way decent in their observance of the hilarious customs of the night. Do no depredations.

An Albany boy dropped a dollar watch down a long flight of stairs. It made a terrific noise, but the watch never stopped and is going yet.

The flyer running past Brownsville recently went so fast as to jar a can of cream off the car. Jokes about the slowness of this road will have to cease.

The DEMOCRAT is informed that hand bills printed in Albany were distributed in Corvallis advertising to-day's foot ball game, containing among other things this sentence: "They hate each other and will fight it out." The DEMOCRAT can hardly believe any one would be so inconsiderate and small as to do a thing like that. Such things help to disgrace foot ball. There must be no mistake.

AN OPEN LETTER

From the Daughter of Rev. Mr. Creighton of North Yakima, Wash., Who Received Treatment by Mail From Dr. Darrin for Nervous Debility and Diseases Peculiar to Her Sex.

Dear Dr. Darrin: I can never thank you enough for what you have done for me. You deserve all the praises that's been given you in the press. I do not feel that I need to order more medicine. Words cannot express how much I enjoy my good health. I felt so many times that my life was very short and that I soon would have to part from loved ones. I could not help but feel unwilling to go and leave them, still I wanted the Lord's will to be done. Again with heartfelt thanks to you, dear doctor, for your interest and the help you have given me in restoring my body to health I am always your friend.

NINA L. CREIGHTON.
P. S.—You are at liberty to publish this letter and the facts of my case.—N. L. C.

Another Albany Lady Praises Dr. Darrin.

To the Editor: Please add my name to the hundreds who have been cured by Dr. Darrin. For more than thirty years I have had a loathsome discharge of both ears, and for a long time ovarian complications, all of which Dr. Darrin has cured. My daughter has been afflicted with dyspepsia, bloating and constipation for four years. She has been cured also. Will gladly talk with anyone on the subject at 432 Second St. Albany.

Mrs. AMANDA RICHARDSON.

Dr. Darrin's Place of Business.

Dr. Darrin is located at the Revere Hotel Albany until Dec 1, and will give free examination to all from 10 to 5 or 7 to 5 daily. The poor free except medicines 10 to 11 daily, and those able to pay at half his former fees or in that proportion of time the case may require. All curable chronic diseases of men and women a specialty. Eyes tested and glasses fitted.

No case published except by permission of the patient. All business relations with Dr. Darrin strictly confidential. Electrical appliances furnished. One visit is desirable, though many cases can be treated by home treatment by writing symptoms. Those wishing to see Dr. Darrin will do well to call soon as many require second treatment.

Rheumatism

What is the use of telling the rheumatic that he feels as if his joints were being dislocated?

He knows that his sufferings are very much like the tortures of the rack. What he wants to know is what will permanently cure his disease.

Hood's Sarsaparilla

It promptly neutralizes the acid in the blood on which the disease depends, completely eliminates it, and strengthens the system against its return. Try Hood's.

Night School

To accommodate those who can not attend in the day time, the Eclectic Business College will open the night school NOVEMBER 2, 1903. Besides the regular course in Bookkeeping, Shorthand and Typewriting, other branches will be taught.

L. E. RICHARDSON, President.

THE USE OF NARCOTIC POISONS

And mercury in the treatment of piles we mean in the dark ages, giving temporary relief only by paralyzing the bowels and do not cure, but in reality weaken the parts and prevent nature from restoring the bowel to a healthy condition, as any honest and intelligent druggist or doctor will admit, and as may be seen by reference to the United States Dispensatory, which says:

do not exercise any curative influence." The following is in substance the expression of all up-to-date druggists: "In twenty eight years experience I have prepared all manner of narcotic and mercurial preparations for piles, but none to my knowledge ever cured a single case."—P. B. Sprague, druggist, Lincoln, Neb.

A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a babe as to an adult. For sale by all druggists.

Our Prices? Well they are simply right. Try and see.
