FOOT BALL.

Albany Defeated the Holy Rollers.

The score given in the DEMOCRAT Saturday evening 6 to 0, at the end of fifteen minutes play, proved to be the final score of the game between Albany and O. A. C. boys. The superior playing of Albany justified a score of 18 to 0, but poor luck after the first touchdown prevented another touchdown. Three attempts of Morrison to make a field kick failed. The O. A. C. men made only one down in Albany's territory. During the rest the ball was on the O. A. C. side. For Corvallis Pilkington played the best game. For Albany every man did his duty. Englehart played a great game at fullback, and not only bucked the line for the only touchdown but dragged a man from the side to back of the goal for it, Coates and Morrison did splendid work at half, making continual gains through and around the heavy line. Coates doing some star ball catching. Griffith established his record as the best tackler in Oregon and Siock is just about as good and is a very reliable and fast player, Francis played a great game on the end and Dolan did well, surprising his friends. Crow at guard was more than a match for 210 pound Dunlap, making a whole through him for the only touchdown. Dupuis played guard well, but in getting even with a farmer for slugging him was seen and put out of the game. Mack was as steady as a clock at center. Rupert played a star game at quarter until cracked dizzy on the head, losing his signals. Underwood, who finished the game on the end is a spry, fast player and Charlie Blyven did effective work at guard when called in.

The game was fortunate in having some good officials. P. A. Young of this city and E. C. Judd of Salem, Prof. Cordley and Russell Wallace were time keepers. J. C. Irvine and Pat McArthur and Walter Blyven lineemen. The O. A. C. boys come expecting a victory of 20 or 30 to 0. They left the grounds crestfallen, the college girls shouting: Holy Rollers, you are tame, Ping pong is your game. Other games were: U. of O., 11, Multnomah 0. U. of O. 37, Williams 0. Pacific University 29, McMinville 0. Cottage Grove 10, Eugene n. e. 0. Stanford 17, Reliance 0. Miam 6, Mich. 0. Yale 21, Columbia 0. Harvard 12, Carlisle 11. Holy Cross 36, Amherst 0. Chicago 15, Wisconsin 0.

A Jerusalem Trip.

Miss Edna Allen, of this city, is one of the three Oregon women who will attend the world's Sunday School convention to be held in Jerusalem April 18-29, 1903. The others are Mrs. W. C. Puffer and Edna T. Bademier, of Portland. The Sunday Oregonians gave their mothers in connection with the eventful prospective trip, the opportunity of a life time for them.

Lebanon Won

The crack shooters of the squad of soldiers sent to Portland from Troop A, cavalry, of Lebanon, in a field of about fifteen squads of shooters carried off first honors with points to spare. Their total score was 238 out of a possible 300. Blacksmith Rawlings lead with 66, Private Pugh 61, Lieut. Elkins 58 and Private Smith 53. The next best was 228 for F. Co. of Portland. Eugene A made 218 and C 213. L. L. Swan returned from the Bay this noon with a fine string of trout. N. M. Newport went to Eugene this afternoon to attend circuit court. Mr. and Mrs. W. C. Tweedale entertained the Orange Whist Club Saturday evening. M. Hyde and sons, Fred and Dick have returned from a fishing trip on the Alean. Mrs. A. D. Barker left last night for Iowa and Ohio to visit several months with relatives. Messrs Phil and Leo Cohen and Mr. Rogaway, came over from Independence to day. Dr. Lowe the well known oculoptician is now at the Revere House to remain till Wednesday noon. Link Morgan, a rising young darkey, of Portland, formerly of Albany, has been in the city on a visit with friends here. Riley Waller and Clyde Ashby went to Halsey this afternoon to change the headquarters of the telephone office to the new store of Cross & Powers. Dr. and Mrs. F. E. Adams, who have been at the Bay several months, are in the city on their way to their new home at Pendleton. Lillian Crawford returned this noon from Corvallis, where she attended the unique hallow'en party of Miss Helen Crawford.

There was a live time at the home of Mr. M. Senders Saturday afternoon. It was in honor of the eighth birthday of Carrie. An interesting feature was the drawing of a gift from a pan of bran, but there was a good time all the time. The Magazine Club had a Hallow'en party in the Macabee Hall. Dressed in Samantha Allen costumes they were taken to the hall in a farm wagon and enjoyed the evening in suitable games and a hallow'en feast. The Lions at their hall last Saturday night had one of their most enjoyable gatherings. The surroundings were all Hallow'en. Fifteen jack lanterns neatly arranged suggested fun from the start. A table covered with doughnuts, pumpkin pies, apples, grapes, etc. spoke for a feast. In a booth was a tripod with witches kettle filled with delicious fees, and the general decorations were keeping with the night. A fine poem was rendered.

THE PRIMARIES.

Democratic and republican primaries are being held this afternoon. Only one ticket is in the field for democratic delegates, the greatest harmony prevailing. The democratic dele. at ewill be: First ward: W. L. Jackson, Kouch, L. C. Marshall, Wm. Fa Geo. Hughes, E. E. Montague, B. Payne, Z. H. Russ, A. J. Hodges Stephen Whitows, O. A. Archibald, L. T. The fight is a hot one and full of political intricacies.

A Woman and Nine Children

Were in Albany Saturday. It was Mrs. Seldon E. Warner, of Harrisburg and six daughters and three sons. One son was absent, and thereby a continuation of this item is required. Mrs. Warner intended to deed each of her children sixty acres and give them an equal amount of money in cash, but on account of the absence of this son, who failed to appear the session was continued until all can be gotten together. A family of ten grown children is certainly a rarity.

Hot Springs at Home.

Claud Mansfield, owner of the Breitenbush hot springs and his brother-in-law F. W. Ross, are at the springs, and will remain until Christmas, looking after the property. There are seven men in there for their health even this late. When these are built up and advertised people will no longer go to California for their mud and other baths, centered here. It is stated that C. & E. will assist in advertising these fine springs as a resort.

The Sanderson Bridge

Is to be accepted, probably, this evening. Judge Palmer and F. J. Miller went out to inspect it this afternoon, and it is stated will undoubtedly accept it, as the work seems to be satisfactory. Teams have already begun crossing it.

Will Stetter Dropped

A kettle of very hot grease last Saturday evening, and it spatted over his face and on his hands in a manner to cause several bad burns, the marks of which are plainly visible.

No Levy for 1903.

The supreme court on Saturday decided that there can be no levy of taxes under the new law for the year 1903. The last legislature made a bundle of things and it will take a special session of the legislature to straighten it.

The executive committee of the poultry association set January 12-16 as the time for the annual show of Willmet Valley poultry, to be held in this city. Under the supervision of H. K. Ligger, that new electric light water wheel is being lowered forty feet to its permanent place, ready for the rush of waters from the Santiam. It is a neat job. A peculiar thing occurred in the country one day last week. While a marriage ceremony was being performed a sister of the bride, at whose home the wedding occurred, gave birth to a new member of the family, at the same hour.

The ladies of the Catholic church will open their fair next Thursday forenoon in the Tweedale block. There will be a nice lot of useful and fancy articles for sale. Also dinner and supper will be served each day. Come and have a nice meal for 25c. Mr. Ira A. Phelps, for several years editor of the Scio News, has accepted a position with Brodie Co. of this city, and has already begun work here. He is a splendid printer and can be relied upon. He will be joined by his family in a few days. This morning's overland has been cancelled by a wreck near Tehama, Calif., yesterday, in which the fireman was killed.

Brown, of Oakville, have been attending a meeting of the U. P. presbytery in Portland. Jesse Barker, a former Albany young man, son of A. D. Barker, is now working for a big contractor near Salt Lake, with his residence in Salt Lake City, and is doing well. Mr. and Mrs. Vince Circle left to-day for their home at the Dalles, after a pleasant visit in Albany, which they report remarkably changed after an absence of twenty eight years. They like the city so well they contemplate settling here again. Sole agency for Lowndes Chocolates. Full line always kept in stock. The Holiday boxes will come here. At The Elite.

Obituary.

Mrs. Melvina Giles Crews was born at Walla Walla, Washington, April 25, 1866; and died at Albany, Oregon, October 31, 1903. She was married in 1885 to John R. Crews at Athens, Oregon. Their married life has been spent in Umatilla County, except six years spent in Idaho near Lewiston, until November 1902 when they came to Albany.

Mr. Crews purchased a home at the corner of West Fifth and Walnut Sts, and all during the past summer they have been enlarging and improving the house and planning for a pleasant comfortable home.

It is rarely indeed that one comes to a new home and in so short a time finds so many friends. At the funeral service, which was held at the First Christian Church, the large audience was filled with sympathizing friends. The floral offerings were numerous as well as elegant, and most eyes were dim with tears. Mrs. Crews leaves her aged parents, Mr. and Mrs. J. M. Giles of Waitsburg, Washington; two sisters and a brother who still live near the old home; her husband, John R. Crews who recently succeeded B. M. Huston in the transfer business and as local agent of the Standard Oil Co.; a son Wren aged 17 years who has always been an intimate companion of his mother, and Edna, a sweet, womanly daughter of fifteen years who is growing rapidly like her mother in tender, Christian, womanly ways. Mrs. Crews had been a member of the church only since April last, but in those six short months she has been so Christian, so sisterly, so faithful and so devoted to service that the whole church mourns her loss. This feeling is shared by the community in which she lived and by those in every relationship of life into which she entered. A good woman has touched our lives and made them better and gone beyond to prepare a place for us.

"I never stand above a bier and see The seal of death set on some well loved face But that I think, 'One more to welcome me When I have crossed the intervening space Between this land and that one over there One more to make the strange beyond more fair.'" The Fischer Company.

The Margarita Fischer Co. presented "A Country Girl" at the opera house last evening to a pleased audience. Miss Margarita appeared in the leading part showing improvement and fine natural talent well directed. The support is a good for a troupe making weak stands, and conscientious work is done. To-night The Flag of Truce will be presented, a very entertaining drama. Prices 15, 25 and 35 cents.

The twelve fire boxes, striker and other apparatus for the Gamewell alarm system to be established here, arrived last night and will be placed up in time for use in about ten days.

Delegates to the democratic city convention to be held at the armory tomorrow night were elected as given yesterday evening. There was no contest, a representative body of men being elected to the contest will be in the convention.

Mr. John R. Crews and his children, Wren and Edna desire that to express their earnest thanks to the neighbors and friends who have been so helpful and kind in every possible way during the illness and after the death of the wife and mother, Mrs. Melvina. Crews

An Answer.

Our friend Anderson tries to console himself over one of our piano sales by foolishly asserting; we feel like ignoring his silliness, but since he casts insinuations we feel in honor bound to reply. The facts are, our friend Anderson tried to sell us a prominent musician of Albany out of about \$100 on a cheap piano, said in other towns for just about a hundred dollars less money than he asked. He had his piano in a house where we learned of the fact, we informed the customer of the true value of and standing of the piano, the consequence was a sale for us in our name and on our individual contract of a fine Vose & Son Piano for which we are the duly authorized representative. You are welcome friend Anderson to your ability (?) as long as you make sales for us and hope you will keep the work so well done for our benefit. We do not have the time to teach you how to get the sales, put it glory in defeat, please and satisfy you, we will try hard to please you in the future, value as we have in the past. E. U. WILL.

Dwies His Life to a Neighbor's Kindness.

Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea, was attended by two physicians who gave him little, if any, relief, when a neighborhood learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. J. F. saw by a ruggist.

Scrofula manifests itself in many ways. Swelling of the glands of the neck and throat, Catarrh, weak eyes, white swelling, offensive sores and abscesses, skin eruptions, loss of strength and weakness in muscles and joints. It is a miserable disease and traceable in almost every instance to some family blood taint. No remedy equals S. S. S. as a cure for Scrofula. It cleanses and builds up the blood, makes it rich and pure, and under the tonic effects of this great Blood Remedy, the general health improves, the digestive organs are strengthened, and there is a gradual but sure return to health. The deposit of tubercular matter in the joints and glands is carried off as soon as the blood is restored to a normal condition, and the sores, eruptions, and other symptoms of Scrofula disappear. S. CONQUERED BY ELECTRICITY.

T. L. Dugger, the Well-Known Editor of the Scio Press, Writes of His Wife's Ex. cure with Dr. Darrin's Treatment.

This gentleman of high standing in literary social circles attests the merits of Dr. Darrin's new discoveries in the treatment of the ear, by electricity and medicine. His open letter to Dr. Darrin, located at the Revere House, follows, and should decide all procrastinating people to visit the doctor, while the opportunity is offered. The doctor remains in Albany until Nov. 15, and will be in Corvallis at new Hotel Corvallis, Nov. 16th to Dec. 1st.

Mr. Dugger's letter. Dr. Darrin: Dear Sir. My wife has been troubled with discharge and gradual deafness in her left ear for the past 17 years. Since commencing treatment with you two months ago, I am happy to state the discharge has entirely ceased and her hearing is gradually returning. I feel confident that she soon will be entirely relieved from all trouble arising from this source. I make this statement freely, trusting that others who may be affected similarly may be encouraged to take treatment from you. Respectfully, T. L. DUGGER, Albany, Ore.

STRONG TESTIMONY.

This is Albany Testimony and Will Stand Investigation.

If you doubt the following and wish to investigate, you haven't to go to some other state in the Union to prove it. It's not a long story published in Albany newspapers about a resident of Kalamazoo, Mich., or Tamps, Fla. It's about a resident of Albany given in her own words. No stronger proof can be had: Mrs. L. W. Moench, wife of L. W. Moench, cabinet maker residing corner of 4th and Main sts., says: "After any over exertion or when I contracted a cold, pain coated itself in the small of my back causing it to ache severely and there was a difficulty with the kidney secretion. On such occasions stooping, lifting, twisting or turning was always followed by sharp, shooting twinges through the kidneys. When I was badly in need of something to bring relief I read about Doan's Kidney Pills and went to Foshay & Mason's drug store for a box and took them strictly according to directions. They thoroughly relieved me of the last attack and up to the present time I have not had a trace or symptom of irritated or inactive kidneys. I will be pleased to allow you to use my name if it will be the means of doing good to others." For sale by all dealers. 50 cents per box. Foster-Milburn Co., Buffalo, N. Y. sole agents for the U. S.
