BURRHART & LEE.

BEST by TEST.

Imported Quadruple Coated Transky-Steel Ware is guaranteed to be better than any other enameled ware made in this or any other country. Imitations are made of soft enamel which soon turns black.

Transky-Steel Ware Last for Years.

The extra hard white is a secret process, ensuring permanent whiteness of the enamel. A little higher in price, but one piece will outlast several pieces of other makes. Cheapest when durability is considered.
