There were fourteen passenger trains in Albany yesterday. We are IT.

Fitzsimmons now declares that he is in the fight until dead. This is sorrowful news.

There should be a general alarm to half a minute to a minute before the numbers are struck. Otherwise it is doubtful if the Gamewell system will do for small cities without a paid department.

If anything would justify other business it would be the repeal of the Portage railway bill. Nevertheless it should not be taken up. It would not be repealed by the same men who passed it, and would afflict the people with a worse wind storm than one of those filled with sand coming down the Columbia.

Letters from Women

Cured by the use of Kodol are received daily. Their troubles nearly all begin with indigestion or other stomach disorder. If the food you eat fails to give strength to your body, it is because the juices secreted by the stomach and digestive organs are inadequate to transform the nutrient properties of the food into blood. That is indigestion. The system is deprived of the amount of nourishment required to keep up the strength, and the result is that one or more of the delicate organs gradually grows weak, and then weaker, until finally it is diseased. Here a great mistake is made. That of treating the diseased organ. The best doctors in the land make this very mistake. Why should they? It is so easy to see that the trouble is not there.

Kodol Cures

This famous remedy puts the stomach and digestive organs in a healthy condition so that rich, red blood is sent coursing through the veins and arteries of every muscle, tissue and fiber throughout every organ of the entire body, and by Nature's law of health, full strength and vigor is soon restored to each. Kodol cures indigestion, dyspepsia and all stomach disorders. I have taken Kodol for nearly two months after each meal and it is the only remedy that gave relief from the terrible pains I endured. After a time I would take it but once a day, and now, while I keep a bottle handy, I seldom need it, as it has cured me. Mrs. J. W. COOLBAUGH, Milo Center, N. Y. Kodol Digests What You Eat. Bottles only \$1.00 Size holding 2 1/2 times the trial size, which sells for 50 cents. Prepared by E. C. DEWITT & CO., CHICAGO At Burkhart & Lee's

WOODMEN ADVANCE.

The "forest" of Albany Camp Woodmen of the World was packed full of the Knights of the Beesie Ax and Wedge last night. The first event was the election of officers. This was done in a manner as amusing as it was novel. After the election State Organizer Rogers proposed that Albany Camp join with other Pacific Coast Camps in a united movement intending to bring the Pacific Coast branch of the order up from 94,000 members and \$700,000 to 100,000 members and \$1,000,000 in reserve. The ideas and plans of Mr. Rogers were indored by an enthusiastic and unanimous rising vote and Neighbors F E Allen and A. W. Bowersox were appointed Captains of ex-knights who will secure 40 applications as Albany's contribution to this movement. The third event was a big supper which disappeared in a typical woodman manner.

Following is a list of the officers elected: Consul—W. F. Harris. Advisor G. M. Junkin. Banker A W Bowersox. Clerk L. L. Swan. Excort John S. Lamar. Watchman E. V. Ebert. Sentry C. S. Headley. Manager F. E. Allen. Physicians W H Davis, J P Wallace.

Coughs

"My wife had a deep-seated cough for three years. I purchased two bottles of Ayer's Cherry Pectoral, large size, and it cured her completely."—J. H. Burge, Macon, Ga.

Probably you know of cough medicines that relieve little coughs, all coughs, except deep ones! The medicine that has cured the worst of deep coughs for 60 years is Ayer's Cherry Pectoral.

Three sizes: 25c., 50c., \$1.00. Consult your doctor. If he says take it, then do as he says. If he tells you not to take it, then don't take it. He knows. An inactive liver prevents any cough medicine from doing its best work. Ayer's Pills are liver pills. J. C. AYER CO., Lowell, Mass.
