BASE HITS.

E. P. Prebler, of Vancouver, was in the city last evening going to Portland this morning. He is at the head of the Vancouver team, which it is proposed to transfer to Albany, a fine lot of players, and at least the second best if not the best team in the league.

A committee of Albany men has taken the matter up and in a short time secured over half enough guaranty. From \$1,000 to \$1,500 is wanted. Mr. Prebler, who has sold his business in Vancouver will then take full charge of the team and meet all obligations. Base ballists are enthusiastic and believe they will raise the money. A meeting of Albany men will be called for a date to be named, when Mr Prebler will meet here with them.

The Elks will meet tonight to consider the challenge of the Maccabees, and elect a manager and captain for a team. They have bought a couple of bats with which they are practicing swinging. The order has among its membership some fine players, for instance, Ted Schlosser at first, Steve Whitney at second, Johnny Meyers at third, and Fred Weatherford, George Prinzler and the Brandberry boys at short and in the field, all old players, besides umpire Derrick. Young Ross, of Toledo, one of the best pitchers in Oregon, a member of the lodge, is expected to be here in time for the fun, and there is a catcher whose name is withheld, who is a good one. The game will not be one-sided.
