The New York Disaster

NEW YORK, June 17.—Despite the untiring work of divers and grapplers, and the watchfulness of scores of men who have given themselves over to the task of searching for the missing, few bodies of those who perished in the Slocum disaster were recovered today. Already 559 bodies have been recovered, of which about 50 remain unidentified. These include 273 children, 243 women and 23 men. Thirteen officers of the St. Mark's Church are among dead.

Tangier Trouble.

LONDON, June 18.—Dispatches to the Daily Mail from Tangier state that the American naval officers there have become incensed at the action of the Sultan of Morocco in bringing native troops from Casablanca into Tangier and Fez, thus wantonly disregarding the express stipulations of the bandit Raulski for the release of Messrs. Perdicaris and Varley, and delaying their release.

Big Rain Fall.

SANTIAGO DE CUBA, June 17.—The recent fall of 14 inches of rain in five hours, accompanying a hurricane, has resulted in the death of more than 100 persons. The most severe loss was at the village of El Cobre, where some 60 persons were drowned. The river rose rapidly, destroying the lower part of the villages. Bodies were carried eight miles to the bay. Thirty bodies were recovered.

A Governor Assassinated.

HELSINGFORS, Finland, June 17.—The Russian flag at half-mast over the Governor's Palace this morning proclaimed to the people of Helsingfors that General Bokoroff, Governor-General of Finland, was dead of a bullet wound inflicted by an assassin. There was no excitement in the city, and no attempt at a demonstration was made.

The Republicans.

CHICAGO, June 17.—By unanimous vote, the Republican National Committee today decided to seat the delegates at large from Wisconsin who are members of the "stalwart" faction, headed by U. S. Senators J. C. Spooner and J. V. Quarles and opposed to the Republicans led by Governor Robert LaFollette.

MISFITS.

A Mixture of Things and Thoughts

Over 700 people drowned at New York through carelessness!

The eagle is plumed to screech at several places in the valley this year.

Our manufacturing interests deserve the best promotion of the capitalists of the city.

The early closing movement is being generously discussed from different standpoints according to the business affected.

In Lane county in three different precincts the candidates for justice of the peace tied, in one case there were three who tied. Considerable of a tie up.

The newspapers of a city give hundreds of dollars of free advertising every year. It would be only fair to excuse them from cash payments beside.

An exchange gives a thrilling account of the doings of the family of the editor for thirty years. Any of us could do that in some form, but we are too modest.

HOME AND ABROAD.

Junction city is liable to eclipse all the towns of the valley in its 4th of July celebration. Ex-Gov. Geer will deliver the address and 800 nickels will be thrown broadcast among the boys and girls attending. Let the eagle scream.

The manner in which a man who serves a county faithfully in an office is appreciated was shown in Crook county, where J. J. Smith was for the third time elected county clerk, this time by over 400 without making any canvass at all.

Woodburn Independent: Miss Rose Ficklin, who has been attending the Albany College, arrived in the city Tuesday and was the guest of her sister, Mrs. James H. Carrio, until yesterday, when she left for her home at Union, Eastern Oregon.

Roseburg defeated Albany yesterday 6 to 2. It was done in the first inning with a fireworks of 5. At Salem Eugene was defeated 14 to 2. The capital city boys have become the worst kind of sluggers. The order continues the same Salem, Albany, Eugene and Roseburg.

The G. A. R. closed their annual encampment at Hood River yesterday. B. P. Pike, of Wasco, was elected commander of the G. A. R., and Mrs. Bertie Smith of Portland commander of the W. R. C. Mrs. Ida Hardman, of Portland, formerly of this city, is treasurer.

The grand lodge of Masons has been in session in Portland this week. Thos. F. Ryan, of Oregon City, was elected grand high priest of the Royal Arch Masons, F. J. Miller of this city, is grand R. A. captain and D. P. Mason treasurer. Thos. Gray, of Portland, was elected grand master of the grand lodge.

The annual election of school district officers will occur next Monday afternoon. Mr. Foshey's term as director expires. He is a very efficient officer, and will probably be again run by his many friends. Mr. Virgil Parker, who has served the district faithfully as clerk will undoubtedly be re-elected.

Sheriff Ross, of Toledo, returned home today after a trip to the asylum with Grant Graves, a highly esteemed citizen of Elk City. He has a wife and four children. He decided on Wednesday that it was necessary to sacrifice one of his children, and he was immediately taken charge of. He has always been a kind father and husband and a good citizen.

Prineville Review; C. M. Redfield, engineer in charge of the Powell Butte canal works of the Deschutes Irrigation & Power Company, was in Prineville the first of the week, setting his mill and necessary supplies for the camp. He informs us the work of laying out the line for the Big Ditch is about done, and that digging of the same will be the next move made by the company.
