Cnicago, June 19.—The Vide President and the tariff platform were the principal subjects of discussion among the delegates of the Republican National Convention today. From present appearance, Senator Fairbanks will be the choice for Vice-President as a sufficient number of leaders have declared for him and announced the probable support of their delegations for him to indicate his selection.

Will It Be Hitt.

CHICAGO, June 19.—Illinois has decided to make an active, aggressive campaign for Hitt for Vice-President. Cut and Dried.

CHICAGO, June 20.—Oregon, Washington and Idaho delegations to the Republican National Convention are having a dreary time. There is no prospect of an opportunity for them to play an important part in the proceedings, to have any voice in the platform, or to come home with any glory gained in the triumph of a beloved nominee after a fierce struggle. Everything has the appearance of being cut and dried.

Of Course Fairbanks.

CHICAGO, June 20.—The nomination of Senator Charles W. Fairbanks for Vice President was regarded as settlec tonight when New York decided to cast her 78 votes for him. While it has seemed a foregone conclusion for some time that the Indiana Senator woulg be Mr. Rosevalt's running mate, there Mr. Roosevelt's running mate, there have been efforts made to bring out other candidates and start a stampede of delegates for some other man.
