Taken with Cran.

Wm. Kirmae, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that had to have the members of the crew wait upon him and Mr. Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around next day. The incident speaks quite highly of Mr. Gifford's medicine.—Elkader, Iowa, Argus.

This remedy never fails. Keep it in your home, it may save life. For sale by Foshay & Mason.

Cholera infantum.

The uniform success which attends the use of this remedy in all cases of bowel complaints in children has made it a favorite wherever its value has become known. For sale by Foshay & Mason.

Mr. Wm. S. Crane, of California, Md., suffered for years from rheumatism and lumbago. He was finally advised to try Chamberlain's Pain Balm, which he did and it effected a complete cure. For sale by Foshay & Mason.

Support Par er.

The New York World publishes a list of 51 newspapers which supported McKinley and which now support Judge Parker, and 24 papers that supported Bryan that are now supporting Roosevelt.

It also publishes a list of six newspapers that supported McKinley that are now independent, and one that supported Bryan that is now independent. It will be seen that Judge Parker has much the best of it on account of the newspaper changes, but his advantage is still greater in the case of the changes of individual voters. The changes from McKinley to Judge Parker are far more noteworthy than the changes from Bryan to Roosevelt. Among the papers that have changed to Judge Parker are to be found the following leading papers: Bangor (Me.) Commercial, Manchester Union, Springfield Republican, Hartford Telegram, New York Evening Post, New York World, New York Herald, New York Staats Zeitung, New York Times, Brooklyn Eagle, Syracuse Herald, Troy Press, Schenectady Morning Gazette, Baltimore News, Baltimore Sun, Baltimore Herald, Wilmington Every Evening, Louisville Courier Journal, Lexington (Ky.) Herald, Louisville Anzeiger, Breckenridge (Ky.) News, Elkton (Ky.) Progress, Paducah (Ky.) Register, Danville (Ky.) Advocate, Frankfort (Ky.) Daily Call, Sioux City (Ia.) Tribune, Davenport (Ia.) Leader, Des Moines Saturday Evening Journal, Charles City, Intelligencer, Hastings (Neb.) Republican, Madison (Wis.) Democrat, Milwaukee Journal, St. Paul (Minn.) Globe, and the following German papers in addition to those already named: Evansville (Ind.) Democrat, Fort Wayne (Ind.) Free Press, Fort Wayne (Ind.) Staats Zeitung, Ann Arbor (Mich.) Neue Washtenaw Post, Des Moines Staats Anzeiger, Madison (Wis.) Staats Zeitung, Watertown (Wis.) Weltbürger.

Nearly all the papers that have changed from Bryan to Roosevelt are in the Northwestern populist states and were formerly republican papers, but supported Bryan on the silver question. This shows that republican populists have generally drifted back to the republican party. The only papers of importance among these are: Detroit Tribune, Detroit Evening News, Council Bluffs Globe-Tribune, Colorado Springs Telegraph, and Spokane Spokesman-Review.

Corvallis Times:

Visitors to arrive in Corvallis Monday evening, were Colonel J. G. Wilson, W. J. Wilsey and J. M. Eddy of Eugene. The gentlemen drove over for the purpose of viewing the right of way of the new electric railroad from Corvallis to Eugene. Colonel Wilson is one of the promoters of the enterprise, and he expresses himself as highly pleased with the proposed line, and declares that it is a certainty and not a possibility only that the new electric road will be built.

WHY DO YOU COUGH?

Do you know that a little cough is a dangerous thing? Are you aware that it often leads on to the lungs, and far too often runs into consumption and ends in death? Acker's English Remedy for Coughs, Colds and Consumption is beyond question the greatest of all modern remedies. It will stop a cough in one night and it will check a cold in a day. It will prevent Croup, relieve Asthma and cure Consumption. Our faith in it is so strong that we guarantee every bottle to give satisfaction or money back. At Foshay & Mason's.

D. Witt is the Name.

When you go to buy Witch Hazel Salve look for the name DeWitt on every box. The pure, unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best in the world for cuts, burns, bruises, boils, Eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name DeWitt's on the wrapper. Sold by Foshay & Mason and Burkhardt & Lee.

Sick Headache.

"For several years my wife was troubled with what physicians called headaches of a very severe character. She suffered with several eminent physicians and at a great expense, only to grow worse until she was unable to do any kind of work. About a year ago she began taking Chamberlain's Stomach and Liver Tablets and today well as usual." says Mr. Geo. E. Wright of New London, New York. For sale by Foshay & Mason.

Don't Talk

The republican papers of this state are expressing in various ways their profound sympathy for democrats who have been in favor of free silver and who are now called upon to vote for Judge Parker. Slowly, gentlemen, slowly. You should not forget that less than a dozen years ago every republican paper in the state was in favor of the free and unlimited coinage of silver except the Oregonian and that you did not change your position on that subject until driven to do so by the action of your national convention in adopting the gold standard. It will be remembered that the republicans in state convention in this state on more than one occasion adopted the free silver platform. So, gentlemen, if there is any inconsistency in the attitude of democrats today in this matter the inconsistency came to you first. As late as ten years ago Mr. McKinley was a free silver man.

One man certainly will not be withheld from any part of the country where Alton B. Parker needs votes—John Sharp Williams, of Mississippi. Quick of wit as a Frenchman, and as hard at driving a political bargain as the down-eastest of Maine Yankees—Williams holds his audience whether it be hostile or friendly, and plays with it. He is as ready to laugh at himself as he is to weep with the misfortunes of his opponent. He would rather stop speaking than be dull. He has learning and has had a great many more opportunities for foreign travel than ninety-nine out of a hundred of his countrymen. But he is not puffed up. When he rises to his feet, you know that there stands a man who would understand you and like you, if he could only get off in a corner with you and have a quiet talk.—The Campaign Spellbinder, Everybody's Magazine for September.

Corvallis Times: This is no dream, though the parties concerned may have been dreaming. They started from Halsey at 10 p. m. intending to drive to Corvallis. They took the left hand road at each turning point, and at two o'clock that morning they entered a little burg that they thought was Tangent. It proved to be Halsey, however, the place from which they had started four hours before. It was about seven o'clock the next morning when they reached Corvallis, and swore all their friends to silence regarding the adventure. — a silence long since broken. Moral: Secrets shared with friends are secrets no longer.

A Fresno, Cal., dispatch says within the next two weeks 350 Chinese of that city will cut off their queues and put their shirts inside their trousers. This was decided at a meeting of the Chinese Empire Reform Association. This is the first definite action in a movement that Chinese here claim will end in the clipping of queues in every city of the state. The Chinese concerned are members of the progressive political party that aims to overthrow the Empress Dowager and introduce modern customs in China.

Excursions to Shows.

The big Ringling shows and circus will be in Albany September 1, and on this occasion excursion trains will be run on the Corvallis & Eastern railroad from both ends of the line, at a fare for the round, not to exceed \$1. The two special trains will both arrive here before the street parade. The train from Yreka will leave that place at 5:15 a. m., arriving here at 9:35; the one from Detroit will leave that place at 6:25, arriving in Albany at 9:25 a. m. Both trains will leave the Albany station for the return trip at 6 p. m.

SKIN DISEASES

The Outcropping of Bad Blood.

While not always painful these are aggravating beyond expression. With few exceptions they are worse in spring and summer, when the system begins to thaw out and the skin is reacting and making extra efforts to throw off the poisons that have accumulated during the winter months. They boil and pimples, rashes and eruptions of every conceivable kind make their appearance.
