### CONNETT CONNECTED WITH.

Sheriff White last night received a telephone message from Mrs. Connett, mother of Ira Connett, who caused a sensation and much trouble by escaping from the county jail, by sawing an inch and a half soft iron bar in two and going up through a trap door and out through the kitchen of the jail to liberty, that her boy had returned home, and was quite sick, and desired the Sheriff to permit him to remain at home for a few days until better. The Sheriff left this morning for the Connett home near Sweet Home, and will bring him back if in condition for the trip. It is probable that the storms were too much for him and made him "crazy" again.

For a young man whom it is very doubtful can be convicted of the charge against him, Connett has acted decidedly "obstreperous."
