SILVER JUBILEE.

Yesterday was the twenty-fifth anniversary of Father Metayer's entry into the priesthood, an event which was celebrated at the church in high mass. Rev. Metayer told the story of his work in the church, one full of interest. A special hymn composed by Father Adelhelm, of Mt. Angel, was sung in honor of the event by the choir, composed of Mrs. O'Neill, and Misses Jones, Barrett and Dorgan. Father Metayer came here a little less than twenty years ago, from France, though he graduated from the seminary at Montreal. He has since built up the finest property in his church in Oregon outside of Portland, an ornament to the city as well as a credit to his taste and judgment. He has the congratulations of a large circle of friends and the best wishes of all for another twenty-five years in his chosen calling.
