

# Albany Democrat

VOL. XXI.

ALBANY, OREGON, FRIDAY, NOVEMBER 10, 1907.

NO 15.

## HOME AND ABROAD.

Russell & Blyth, of Portland, are preparing to build a fourteen story brick, which will be much the tallest in the city.

Reddy Rupert, formerly of the Albany team is to play quarter back on the Multnomahs. The Oregonian says: "In Rupert the team has one of the best quarter backs that ever donned a uniform for a local eleven."

The O. A. C. second team yesterday afternoon defeated the U. of O. second team 5 to 0, as predicted by the DEMOCRAT. It is reported to have been a fine game, every inch being fought to a standstill. Both teams are strong, which will mean a good deal for the future of the two college football teams.

PORTLAND, OR. Nov. 4.—Rather than disgorge the money that they are alleged to have bunked thousands of persons out of, the Japanese promoters of the Society of Japanese Art Admirers stood trial before Police Judge Cameron yesterday on a charge of conducting a lottery. Evidence was submitted by both prosecution and defense and the case taken under advisement by Judge Cameron who will give a decision Monday.

Ninety new buildings have been erected or are under construction at Klamath Falls, said to be having a big boom.

## THE CAZARS' UKASE

### The People Granted Many Things.

ST. PETERSBURG, Nov. 4.—The Ukase of the czar was issued granting amnesty. It proclaims free pardon to all political prisoners and participants in strikes and persons responsible breaking contracts, also those not yet tried or sentenced.

Those convicted of crimes over ten years ago will be released and transferred as colonists to Siberia. Those now serving as colonists will be allowed after four years to choose residence, but must not reside at St. Petersburg or Moscow, for three years. All life sentences are reduced to fifteen years, and other classes reduced to one-half.

### McClellan in the Lead.

NEW YORK, Nov. 4.—The campaign closes tonight. The candidates are claiming large pluralities. The betting favors McClellan today 3 to 1.

### Timber Sharks.

PORTLAND, OR. Nov. 4.—It has just been discovered that J. W. Gardner and W. H. McCrossen, the notorious timber sharks who a week ago bunked a party of Wisconsin men by locating them fraudulently on supposed claims has worked over time in Sellwood, a suburb of Portland where they induced 35 residents to pay them money for locating them on supposed valuable timber claims. By evidences of false witness trees all were bunked of sums ranging from \$25 to \$150 a piece.

### Kishineff Burned.

KISHINEFF, Nov. 4.—Kishineff's streets run red with blood. Jews are being slaughtered by scores; homes pillaged, women despoiled. Never before has such a violent anti-Semitic outbreak been known, even here, where slaughters of the Jews only recently horrified the world.

### Arrested at Honolulu.

HONOLULU, Nov. 3.—G. L. Brokaw indicted with three others at Spokane for land frauds, is in the custody of Maui Island police. He surrendered himself after forfeiting bail at Spokane and shipped to Australia on a vessel.

### A Fast Mile.

MEMPHIS, Nov. 3.—Dan Patch has equalled the world's pacing record, going a mile in 1:59 1-4, Star Pointer's time. He had a running mate. Owing to the fact that it was not a regular meeting the record may not be allowed.

## MISFITS.

### A Mixture of Things and Thoughts

Will loss rule be downed in New York.

A great football day all over the country.

The direct primaries have been launched.

Five papers in Albany: two dailies, three weeklies.

The Albany republicans seem to be pretty well broken into pieces.

The columns of the DEMOCRAT are open to even the editor of the Herald for the publication of testimonials, and no questions asked.

It transpires that it was a lie about Francis J. Heney's brother cutting timber on government land without authority. He had a right to cut it.

A Wretched Railroad Service is the heading of an item in the Scio News about the Woodburn-Springfield road. That seems to be the general report.

W. S. Risley will be nominated for recorder on the democratic ticket, and will get a good many republican votes at the election as well as the democratic votes.

In the primaries the democratic and republican tickets are absolutely separate, as much so as two conventions. You can vote for any one you please, but it will be counted only on the ticket used, entirely separate from the other ticket.

The DEMOCRAT has never flopped. It has always been solidly democratic; but its columns are open for reasonable discussion, particularly when impossible to secure it in other sources, and when of a character not to affect democratic principles. Mighty little politics in the city election.

### Draws Big Houses.

Of Rowland and Clifford's new production, "Dora Thorne" the Rochester (N. Y.) "Democrat and Chronicle" has to say: "Lem B. Parker's dramatization of Bertha M. Clay's long popular novel, "Dora Thorne," drew a large audience to the Baker last evening and the play proved to be one of the best seen at the theatre this season. The play, like the novel, is full of thrills that delight the feminine heart and the large proportion of women in the audience watched the delineation of the plot in which true love culminates in marriage, is then turned to misery by a designing adventuress, through three acts, and in the final act triumphs over the machinations of the D. A. The drama was presented by a strong and unusually well balanced cast. At the opera house Tuesday evening, Nov. 7.

### What "Ghosts" Is.

First of all, "Ghosts" is an absorbingly interesting play—as a play. Henrik Ibsen, whose greatest work it is, possesses a perfect mastery of the stage, and this "Ghost" judged solely as a dramatic work is faultless. But the play is more than a triumph of stage craft. It is the most pitiless presentation of the scriptural injunction that the sins of the father shall be visited upon the children that has ever been written. In it the law of heredity is worked out to a terrible end. Grief, dread, terror and unpermitted love accompany the usual characters in their march to their destiny. At the opera house Friday, Nov. 10.

The president has issued his Thanksgiving proclamation for November 30.
