THE KATZANJAMMERS

Fill the Opera House. A Great Success.

Under the direction of Miss Clara Louise Thompson Albany amateurs furnished Albany people with an evening of amusement in the presentation of the Katzanjammer Picnic, bringing out some of the best amateur work ever done in Albany. A very pretty thing warmly encored was The Sailor's Hornpipe by six girls, Margaret Monteith, Florence Thrall, Beth Stevens, Medora Steel, Jean McClennan and Edna Acheson. Miss Ronch pleased the audience with The Moon Will Help You Out. A neat thing was the Quaker song and drill by Mable Rathbone, Clarabelle Seelye, Isabelle Young and Marcia Parker.

Pansy Ansy Ann, by Misses Bennet, Cameron, Redfield, Train, French, Miller, Turner and Nutting received a warm encore.

Twelve boys in ballet costume, made a hit with their drills: Simpson, Fortmiller, Drake, Stevens, Steele, Curran, Warford, Howard, Scott, Monteith, McClennan and Nutting.

Vesta Wallace gave a pretty Indian song. Eva French as the Yankee Doodle girl deserved the warm applause given the specialty.

Mr. Little Hong Kong Baby, in Chinese costume, by Miss Anna Marshall was good.

A nice specialty was a song by Mrs. Percy A. Young, the Gypsy Green, with a chorus of gypsies.

The program closed with a pretty may pole dance by the Egyptian ballet boys and Pansy Ann girls.

The house was packed, every seat being sold and a number standing.

A MILL PROPOSITION.

A Chicago Mill Man Willing to Come.

A proposition has been received in Albany for the removal of a valuable six set woolen mill plant from Chicago to Oregon, with the first chance for Albany, if the people of the city desire it. The mill would have double the capacity of the old mill, with a pay roll of \$7,000 to \$10,000 a month, and a knitting mill also if wanted, with a clothing manufactory in connection with it somewhere in Oregon. It would take a large building than the present walls of the old mill cover. The Bannockburn Manufacturing Co. through whom the proposition comes for the Chicago man, has appointed a committee of four to secure a location for the mill. The Chicago man is experienced, and his plan, a specialty of fine wool goods is one that is commendable. Albany would be expected to reconstruct the old building for new needs. MASS OF SORES

Awful Suffering of Little Boy from an Itching Humour

CURED BY CUTICURA

Not One Square Inch of Skin on His Whole Body Unaffected

"My little son, a boy of five, broke out with an itching rash. Three doctors prescribed for him, but he kept getting worse until we could not dress him any more. They finally advised me to try a certain medical college, but its treatment did no good. At the time I was induced to try Cuticura he was so bad that I had to cut his hair off and put the Cuticura Ointment on him on bandages, as it was impossible to touch him with the bare hand. There was not one square inch of skin on his whole body that was not affected. He was a mass of sores. The bandages used to stick to his skin and in removing them it used to take the skin off with them, and the screams from the poor child were heart-breaking. I began to think that he would never get well, but after the second application of Cuticura Ointment I began to see signs of improvement, and with the third and fourth applications the sores commenced to dry up. His skin peeled off twenty times, but it finally yielded to the treatment. Now I can say that he is entirely cured, and a stronger and healthier boy you never saw than he is to-day." ROBERT WATTAM, 4922 Center Ave., Chicago, Ill., Dec. 30, 1897.
