JACKSON, Miss., March 3.—Aid from all parts of the state is being rushed to Meridian, which was demolished by a cyclone last night. It is reported a hundred bodies have been recovered.

The Legislature adjourned and the members have gone to the scene to assist in the relief. The soldiers in charge are unable to control the frenzied people seeking relatives.

A Pole Colony.

Guard: Hon. John J. Von Gostoneski, George Snell, Tony Manarwek and Joe Beiegras, a committee representing the Polish and German Colonization Association, of Toledo, Ohio, arrived in Eugene last night to look over this part of the state with a view of locating a colony of from 500 to 1000 Polish, German and Slavish families.

Mr. Von Gostoneski, who is a Polish count, was interviewed by a Guard reporter this afternoon. The count said that he and the other members of the committee have been through nearly all the Western States and they liked Oregon best of all. He thinks a colony will be located somewhere in this state, but the place has not yet been selected.

One Piano Sold by Phone.
Many Letters From Out of Town Parties.

If you expect to own a piano within two years, you had better take advantage of this opportunity.

It will be a long time again before you will get a chance to secure a \$350 full size upright piano in oak case for \$195 on \$6 payments and every piano in the store at corresponding reductions and terms.

There is a Haines & Co. square grand that must be sold as we don't want to ship it and it won't if anyone makes us a decent offer and will pay even \$3 or \$4 a month on it (hardly rent.)

Two organs left one a 5 octave \$90 Pacific Queen at \$46 and the other being one of the same make in 6 octaves for only \$54. See them in window.

We would rather return an exchanged organ than an unsold new piano; so be assured of a fine proposition to exchange your family organ on a piano.

If your present piano is even slightly unsatisfactory in anyway, you can turn it in on a fine new one at half the difference it would ordinarily be and pay the balance on mere rent terms.

You have waited long enough now, come in today or Monday and buy yourself \$100 to \$150 richer by saving that much when you can.

Open every evening. We close on Wednesday evening March 7th.
