WORK WEAKENS THE KIDNEY

Doan's Kidney Pills Have Done Great Service for People Who Work In Albany.

Many Albany people work every day in some straining, unnatural position—bending constantly over a desk—riding for years—doing laboring work; lifting, reaching or pulling, or trying the back in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys put new strength in bad backs. Albany cures prove it.

Says: "Having been troubled with pain in the back just over the kidneys and annoying irregularities of the kidney action, I decided to try Doan's Kidney Pills and got a box at Foshay & Mason's drug store. Relief came after the first dose or two and in a short time the aching and other symptons were removed. The action of the kidneys was corrected and regulated and I am now in a position to conscientiously recommend Doan's Kidney Pills and do not hesitate to do so.

For sale by all dealers. 50 cents per box. Foster-Milburn Co., Buffalo, N. Y. sole agents for the U. S.

S.S.S. PURELY VEGETABLE

The fact that S. S. S. is a purely vegetable preparation, containing not the slightest trace of mineral in any form, has been one of the strongest points in its favor during its forty years of existence. It is recognized everywhere not only as the best of all blood purifiers, but the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family. Next in importance to removing the cause of any disease is the condition in which the system is left after a course of medical treatment. Medicines containing mercury, potash or other strong mineral ingredients often do permanent injury by eating out the delicate lining and tissues of the stomach, producing chronic dyspepsia, unfavorably affecting the bowels and so damaging the system that even if the original cause of the disease has been removed, it is left in such a deranged and weakened condition that the health is permanently impaired. S. S. S. enjoys the distinction of being the only blood medicine on the market that does not contain a mineral property in some form. Being made entirely of roots, herbs and barks it is absolutely harmless to any part of the system, and while curing disease adds strength and health to every part of the body. S. S. S. removes all poisons, freshens and purifies the blood and gives better and more lasting results than any other blood medicine. S. S. S. is the very best treatment for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all troubles due to an impure or poisoned blood supply. Besides being the King of blood purifiers S. S. S. is the best and most invigorating of all tonics.
