They were accompanied to Portland by Mrs. McDougall, who will also accompany them on a Columbia excursion. They will go east by the Canadian Pacific.

**Prof. Flynn Himself Here.**

Prof. Flynn, the head of the Flynn system of physical culture and organizer of Hundred Year Clubs, came up yesterday and in the afternoon and evening and this morning gave five lessons in his splendid system of physical culture. He is a thorough master of the work, taking care of the body for the prevention of disease, as well as its cure, and under his leadership the classes have had some very interesting times, to the great benefit of their bodies and minds.

Prof. Flynn returned to Portland this afternoon, and tonight will be given a reception at the White Temple previous to his return to Chicago. He has had immense classes in Portland, well pleased with his system.

**The O. F. Excursion.**

A big crowd is going to the front tomorrow. The train will leave the depot at 7:30, with prospects of good weather and a fine crowd.

The excursion committee sent a man to Detroit to prepare the picnic grounds. He reports the grounds fairly good, but says a much better place for a picnic is at the Breitenbush, a mile and a half this side of Detroit and a good many of the excursionists have decided to spend the day there, on account of it being a much more shady place.

**C. and E. EXTENSION**

**Announced by Wallis Nash of the C. C. F.**

Wallis Nash, who went east in interest of the Cooperative Christian Federation, has returned to Portland, announces that work on the extension of the Corvallis and Eastern would begin in the near future, and an independent road would be built from Portland to connect with the C. & E. at Mehama, the whole calling for the laying of 269 miles of track. He claims to have found it no trouble to raise the money for the work as well as for others in connection with the object of the Federation.

**A Big Job.**

F. K. Churchill, the business printer, is just mailing about five thousand of the Keaton R. F. D. Directories to Portland and other places in Multnomah county. This is a splendidly printed and gotten up directory of about one hundred pages, covering all the R. F. D.'s in that county. Each pamphlet requires 2 cents postage. Under the postal laws, where there are over 2,000 parcels they can be sent without a stamp, a special printed mark in the postage stamp corner covering the requirement, an immense labor saver to the mailer, Albany thus gets the benefit of all this big postage bill. In reaching out for business like this Churchill helps the whole city.

**The Yellowstone Park Girls.**

Miss Agnes Wilson, of Corvallis, a pretty auburn haired young lady, was in the city this morning on her way to Portland, and Miss Sue Breckenridge, of this city, and Mary McCormick of Lebanon, went down this afternoon, to join the Yellowstone Park crowd, prize winners in the big Oregonian contest. The girls, thirty four or thirty five of them, will take a run down to the Pacific this week in order to get acquainted, and on Saturday will start on their eventful trip, joined by many others wishing a pleasant trip in good company.

To be of the world—a part of it, a man must be in step with the times.

Clothes are one of the most important factors in the make up of the Twentieth Century Man.

With the traditions and customs, to which so many makers of Clothes for Men still cling we have no concern.

**We're Clothiers Of Today**

In our Spring Suits are incorporated every knack vagary, and trend of fashion in Single and Double Breasted Models.

The fabrics are new and come in a diversity of color, schemes and weaves. Smooth surface and undressed Worsted, Cheviots in plain and fancy de-

signs. Cassimeres in new tones and effects. We are offering good discounts from regular prices on many lines. Compare our goods and prices with any other so-called "sales" and we will stand or fall by your decision.
