Get an Oliver.

A number of Oliver typewriters have been sold in Albany. The people who use them like them. The Oliver has many points of superiority:

1. It is built right side up.
2. It has all the characters with the fewest number of keys.
3. It has perfect alignment after years of constant use.
4. The writing is in sight.
5. It does perfect work with the Mimeograph.
6. It is fine for tabulating without any extra machinery.
7. It is a great manifold—from one to twenty copies can be made simultaneously.
8. No matter how many keys you strike at once you cannot lock the typewriter.
9. Lines, either vertical or horizontal, and in any color, may be ruled upon the paper while it is in the machine.

There are a number of other good typewriters, we think the Oliver the best. You can trade in your old machine. THE OLIVER AGENCY, phone Black 423.

SORES AND ULCERS

TROUBLESOME-OFFENSIVE-DANGEROUS

Nothing is more discouraging than to have an unhealthy sore or ulcer resist one treatment after another, sometimes scabbing over and apparently getting well, then returning with renewed energy and becoming worse than before. Sores and ulcers are not due to outside causes; if they were, salves, plasters, lotions, etc., would cure them. They are kept up by a diseased and polluted condition of the blood brought on by the absorption of refuse and waste matters of the body into this vital fluid. These accumulations find their way into the blood, usually because of an inactive and sluggish condition of the system. Nature intends that they shall be carried off through the usual channels of waste, but the different members failing to perform their duties properly leave the matter to sour and ferment. The blood then, in its effort to keep the system healthy, absorbs these poisons and at the first bruise, cut or wound the sore is formed, and the constant drainage of foul matter through it keeps the place open and irritated so it cannot heal. Another cause for old sores and ulcers is the poisoning or weakening of the blood from the remains of some constitutional trouble or the effects of a long spell of sickness. S. S. S. begins at the fountain-head and drives out all poisonous matter and germs, and makes a lasting cure. As soon as the system gets under the influence of S. S. S. the inflammation gradually leaves, the flesh takes on a healthy color, and soon the place is permanently healed. Book on sores and ulcers and any medical advice without charge.
