Save His Life.

J. W. Daynport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe in your Snow Liniment saved my life. I was in the treatment of two doctors and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't know that I could have lived more than a month longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two fifty cent bottles cured me sound and well."

It is a wonderful medicine and I recommend it to suffering humanity. Foshay & Mason.

Special R. R. Rates.

Special one and a third rates will be made as follows:

To the Hood River Fruit fair and State Irrigation convention Oct. 11-13. Sale dates Oct. 10-13. Limit Oct. 15. Round trip fare from Albany \$5.85.

Annual convention of Bankers St. Louis, Oct. 16-19. Sale dates Oct. 12 and 13. Limit Nov. 30. Fare, round trip, to St. Louis \$39.95, Chicago \$73.95.

The Best Doctor.

Rev. B. C. Horton, Sulphur Springs, Tex., writes, July 19th, 1902: "I have used in my family Ballard's Snow Liniment and Horse-hoof Syrup, and they have proved certainly satisfactory. The liniment is the best we have ever used for headaches and pains. The cough syrup has been our doctor for the last eight years. Foshay & Mason."

Cures Winter Cough.

J. E. Gover, 10' N. Main St., Ottawa, Kas., writes, "Every fall I have been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got over a bottle of Horse-hoof Syrup. She used it and has been able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stop the cough, and she is able to be up and well." 25c, 50c and \$1.00. Foshay & Mason.

Cures Chills and Fever.

G. W. Wirt, Newry, Texas says "His daughter had chills and fever for three years; could not find anything that would help her all he used H. B. No. His wife will not keep house without it, and cannot say too much for it." 50c. Foshay & Mason.

**S.S.S. STANDARD TONIC**

The ingredients of which S. S. S. is composed, and the method of combining and preparing them so that they gently and pleasantly build up and strengthen every part of the body, make it the ideal tonic for a disordered condition of the system. Every one feels the need of a tonic sometimes. The system seems to get "out of gear," the appetite becomes fickle, the energies are depressed, sleep is not restful or refreshing, and the entire body has a nervous, worn-out feeling. When the system is in this depleted, run-down condition it must be aided by a tonic, and S. S. S. is recognized everywhere as the standard. Being made entirely of roots, herbs and barks selected for their gentle action as well as their invigorating effect on the system, it will not disagreeably affect any of the delicate members or tissues as do most of the so-called tonics on the market which contain potash or some other harmful mineral ingredient. These derange the stomach and digestion, unfavorably affect the bowels or otherwise damage the health. S. S. S. tones up the stomach and digestion, improves the appetite, produces refreshing sleep, rids the body of that tired, run-down feeling, and supplies tone and vigor to the entire system. It re-establishes the healthy circulation of the blood, acts more promptly and gives better and more lasting results than any other tonic, and because of its vegetable purity is an absolutely safe medicine for young or old. S. S. S. acts admirably in cases of dyspepsia, indigestion and other stomach troubles, and after using it that uncomfortable feeling of fullness, dizziness or drowsiness, after eating, are no longer felt. Not only is S. S. S. the greatest of all tonics but possesses purifying and alterative properties, and if there is a taint in the blood it will promptly remove every trace and restore perfect health. In selecting your tonic for this year do not experiment but get S. S. S., the recognized standard.
