LITTLE ROSE BUD.

A Remarkable Cure.

"I was much afflicted with rheumatism," writes E. C. Nud, Lowaville, Sedgwick Co., Kan., "going about on crutches and suffering a good deal of pain. I was induced to try Ward's Snow Liniment, and after using it a few bottles, it is the greatest relief I ever used; have recommended it to a number of persons; all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c and \$1.00. Foshay & Mason.

A FACT PROVEN.

Should Convince Even the Most Skeptical of Its Truth.

If there is the slightest doubt in the mind of any that Dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with the germs became bald in six weeks' time.

It must be apparent to any person therefore that the only prevention of baldness is the destruction of the germs which act so successfully accomplished in one hundred per cent. of cases by the application of Newbro's Herpicide.

Dandruff is caused by the same germ which causes baldness and can be prevented with the same remedy—Newbro's Herpicide.

Accept no substitute. "Destroy the cause you remove the effect."  
Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
