

A METEOR

Fell Upon A Linn County Farm.

A few days ago a meteor fell upon the farm of a German residing near the Geisendorfer farm, striking near the barn and going down about twelve feet, the indications being that it was about fifteen feet in diameter. The farmer, not understanding the situation, covered up the hole. Today several men who learned of the facts were going to dig down to the stone and learn for certain whether it is a meteor, as is claimed. The meteor is said to have been heard at this city as it struck.

The Delta Pi's.

One of the semi occasional meetings of the Delta Pi's was held Saturday evening, with Eva French. It was a live one. The President, Mrs. Georgene Payne Stewart presided. Miss Arlene Train read a history of the Delta Pi, showing its establishment in early Egyptian days, on the Nile. Under a decree of the queen then at its head its final home was to be in the last place in the world to have horse street cars, hence its location in Albany. During the evening four young ladies, Misses Lillian Cleek, Christine Pipe, Rhoda Stalnaker and Grace Bennett were initiated in modern college methods, by applying, properly applied, at different places for positions to work, causing much amusement. A fine repast was served. Another meeting with several more initiations, is soon to be held.

Prof. Horner on the Holy Land.

Prof. J. B. Horner, of the O. A. C., occupied the pulpit of the U. P. church last evening, or rather the platform, in an interesting illustrated address on Palestine and Egypt, with a picture of Rome thrown in on the way there. Nearly all of the illustrations were of Palestine, and most of those of Jerusalem and its environs, covering some fine views of that wonderful city, so full of importance to the Christian. On the way there reference was made to Prof. Horner's Egyptian trip, where he had an opportunity to see the splendidly managed missions of the U. P. church.
The views were all good, clearly presented. The audience was large, and the gallery being filled, and there was a general expression of approval.

The First Sermon

In his Early Albany articles J. J. Davis gave 1851 as the year when the first sermon was preached in Linn County, Rev. Hill preaching the sermon in a house at Hacklema's grove. The DEMOCRAT bears of a much earlier sermon than this, with the record for it. On June 15, 1849 Rev. Wilson Blain, father of L. E., and W. K. Blain, of this city, preached his first sermon in the county, at Brownville. Were there any earlier than this. Brownville was one of the earliest settlements in the valley, and even then there was considerable activity there.

TONGUES

Of Fire Dampened by Mayor and Police.

The Full Mission was conducting its worship in a manner no one could complain about until the Tongues of Fire young man came back from Salem accompanied by another young man, who introduced their Holy Roller methods into proceedings. The Willamette Valley has had enough of this kind of foolishness and the people objected. Saturday night there was a big crowd on the second night of the reign of Mr. Williams. A good deal of hoodlumism, never to be commended, prevailed. Finally Mrs. Ubbe Peters and June Craft were placed flat on the floor to receive the Pentecost, something that generally requires several hours. Then it looked like trouble. Mayor Wallace was sent for and came down. When he entered besides the packed house there was with him Marshal McClain, Sheriff Smith, Deputy Sheriff Stellmacher, Constable Catlin, Chief Engineer McKee and numerous others, ready for action. After considerable argument the two Tongu s of Fire young men agreed to leave and did so.

If the Tongues of Fire men with their unpopular Holy Roller methods will stay away there will probably be no more trouble.

Yesterday three sessions were held, a short one at the mission, one at Mr. Moore's and one in the evening at Widow Craft's in the first ward. The two Tongues of Fire young men are said to have been present. In the evening several men were out with a rope looking for them, the program being if they were found, doing the floor act, to tie the rope around them and dack them in the river until they promised for certain to leave the city.

This afternoon the electric lights were ordered out of the building and the water shut off, and one of the Tongues of Fire men stated that they would quit in Albany.

Some Monday Thoughts.

Satan often uses religious people for his worst business.
A good life is a mighty good sermon.
Sins runs down hill when once started.
God does things in a sensible way, not in Holy Roller methods.
One man often causes a bigger disturbance than an army.
The result of a revival cannot be figured mathematically.
The clean life is a big advertisement for one's religion.
What a fate to use the Chinese jargon, the language of a people that has always been anti-Christian, to secure the descent of the Holy Spirit.
Do something for humanity if you want to get a genuine Pentecost.
People who can't see their own faults with a magnifying glass see those of others through a foot wall.
The church member who is everlastingly kicking his pastor generally hasn't enough religion himself to be kicked.
Hoodlumism never settles important questions.

J. S. Van Winkle Recommended.

A dispatch from Washington last evening stated that Senator Fulton had recommended J. S. Van Winkle for postmaster at Albany. Senator Bourne, it is said, will be for P. R. Conn. Congressman-Elect Hawley, it is declared will work for Mr. Van Winkle. It is not probable that Williamson and Herman will take any hand in it, or could. The other candidates are Postmaster Train and S. N. Steele. An appointment is probable within a few weeks.

From Alberta.

Charles E. Smith, of Cayley, Alberta, Canada, a former Linn county deputy sheriff, arrived last evening on a few week's visit. He has a homestead of 160 acres under the Canadian laws he has to live on six months a year, and break at least ten acres. Last year on eight acres newly broken he had 600 bushel of oats. While it is cold in the winter it is dry and is not felt very much. The snow was six or seven inches deep, the deepest of the winter, and the temperature was 38 above when he left.

For Increase of Pension.

The committee are Hon. S. R. Claypool and Hon. B. H. Irvine of Lebanon and C. H. Walker of Albany. It is their wish that other comrades should go, if possible.

Laundrymen Meet.

A meeting of the Willamette Valley Laundrymen's Association was held at this city Saturday evening, with the following present: A. L. Simpson, Albany; O. C. Baker, Roseburg; E. L. Fisher and W. H. Hodes, Eugene; J. Oimstead, Salem.
The rate on outside laundry business was a principal matter considered, it is reported a raise being agreed upon for such business, the present prices, with heavy express charges being inadequate for the service.
Besides the business Mr. Simpson served a banquet to the visitors.

Mrs. McNath.

Mrs. McNath died yesterday morning at the home of her daughter, Mrs. John Macneill, a few miles from this city, at the age of 73 years. She was born in Ayershire, Scotland, and came to Linn county with her daughter six or seven years ago. She was a member of the Christian church a woman of sterling character. The funeral service occurred at 11 o'clock today, Rev. J. J. Evans preaching the sermon.

Daggett.

The seven year old son of Walte Daggett, died at 4 o'clock last evening at the home of his grandfather, Mr. George Forgye, in this city. The case is a peculiar one. His mother died at Lebanon last week. She became dizzy and her tongue was paralyzed, apoplexy resulting. Upon returning from his mother's burial at this city the boy was taken dizzy Friday evening in the same way, being affected much like his mother. It was reported that he had malignant scarlet fever, but probably not. The cause is being investigated. The burial took place this morning.

TWO SISTERS HAVE ECZEMA OF HEAD

Two Illinois Girls Suffer from Scalp Trouble—Another Sister Needs a Tonic—Friend Suggests Cuticura—They Use it and Now Give

MUCH PRAISE TO ALL CUTICURA REMEDIES

"I must give much praise to all the Cuticura Remedies. I used but one cake of Cuticura Soap and one box of Cuticura Ointment, as that was all that was required to cure my disease. I was very much troubled with eczema of the head, and a friend of mine told me to use the Cuticura Remedies, which I did, and am glad to say that they cured my eczema entirely. Since then we have always kept the soap on hand at all times. My sister was also cured of eczema of the head by using the Cuticura Remedies. Another sister has used Cuticura Resolvent and Pills and thinks they are a splendid tonic. I cannot say exactly how long I suffered, but I think about six months. Miss Edith Hammer, R. F. D. No. 6, Morrison, Ill., Oct. 3, 1906."

EVERY CHILD Afflicted with Torturing Disfiguring Humors

Becomes an object of the most tender solicitude, not only because of its suffering, but because of the dreadful fear that the disfiguration is to be lifelong, and mar its future happiness, and prosperity.

Hence it becomes the duty of mothers of such afflicted children to acquaint themselves with the truest and most effective treatment available, viz: warm baths with Cuticura Soap, and gentle anointings with Cuticura Ointment, the great Skin Cure. Cures made in infancy and childhood are usually speedy and permanent.

FIRST SERMON

Preached in Linn County by Dr. Kendall

The question as to what minister preached the first sermon in Linn county is getting interesting. I believe I can settle it. Mr. Davis says it was Rev. R. C. Hill in 1851. Some one else says it was Rev. Wilson Blain in 1849. Now I am able to cut three years from that last date, and give the honor to Rev. T. S. Kendall, D. D., who preached stately at two points in our county in the year 1846.

Dr. Kendall, with several others of the same faith, emigrated from near Monmouth, Ill., to Oregon in 1845, passing the following winter in Washington county. In the spring of 1846 he settled on the Calapooia at what is known as Kendall's Bridge, building on the south side of the creek. John B. McCoy, Dr. W. B. Mealey and others, who came with him, settled a few miles away. Josiah Osborne, John Courtney and others of the same party, located up in the Brownville neighborhood. Dr. Kendall preached with some degree of regularity in these two localities from 1846 until 1849, when he and most of his flock went to California after gold.

He returned from California early in 1850, and in July of that year organized the Willamette Presbyterian church, which is now the U. P. church of Oakville.

If Mr. Davis had claimed that the first sermon delivered in Albany was by Rev. R. C. Hill I think no one could have proven the contrary.
