A Horse Thief Case

Scio News:—
 Sheriff D. S. Smith called at the News office, yesterday. He stated his business in this locality was to serve a warrant on Anton Holub to appear in Prineville, as a witness in a criminal action against one Erricon, who is accused of horse stealing. Erricon brought a bunch of horses down to Scio, from the Prineville country, last summer and placed them on sale in Scio and other valley towns. Mr. Holub bought a fine black horse out of the bunch, paying \$140 for him. Mr. Holub, of course, is entirely blameless in the matter. People hereafter will be a little cautious in buying bunch grass horses.

BRING IN your old sewing machine head. We will either repair it or take it as part payment on a new one.

INVESTIGATED

by the Railroad Commission.

SALEM, April 13.—Railroad Commissioner Oswald West today returned from an inspection of the O. R. & N. wreck near Pendleton. He says the company cannot be accused of negligence as the accident was unforeseen and a big force of men were working on the track at that place.

Wants to Be Released.

NEW YORK, April 13.—Thaw is some what unnerved. The question of a new trial is not decided. An effort will probably be made for his release on bail which will be vigorously opposed.

Died at Roseburg.

Plaintiff:—
 Martha A. Divine, wife of J. M. Divine, an old soldier, died in West Roseburg on Monday, April 8, aged 61 years. Mrs. Divine was married September 10, 1865. In the year of 1881 they came West and settled in Oregon. September 1, 1905, Mrs. Divine and her husband were admitted to one of the cottages at the Oregon Soldiers Home, coming from Albany here. Deceased had been ill for some time of dropsy. She is survived by her husband, J. M. Divine. The couple were childless. Interment was in the Soldiers Home cemetery, and the funeral sermon will be preached at the Seventh Day Adventist church in West Roseburg, at 2 o'clock p. m., Sunday, March 14.

HOME AND ABROAD.

Corvallis has a village improvement society. That has an eastern sound to it. A Benton county sale is: A. N. McKechnie to Anna S. Myers, 75 acres near Albany, \$1800.

Oscar Healey, a former Lebanon man, died in Portland yesterday, and the remains were brought up today for burial. The total receipts of Brownsville the past year were \$1,658.42, paid on warrants \$927.58. Balance on hand \$730.84.

Oregon has ten mutual fire insurance companies and another is proposed at Eugene. It seems to be the spirit of the day.

Rev. J. E. Snyder, of Vancouver, a former Brownsville minister, has increased the membership of his church from 69 to 200.

The Salem high school team at Corvallis yesterday afternoon defeated the O. A. C. team 4 to 0 in a fast amateur game.

It is said that the California floods will mean a shortage of potatoes the coming year, and hence a good market for the Oregon product, which promises to have a large acreage.

Willamette University will run a summer school at Newport next summer, beginning July 1 and ending Aug. 9. A good faculty will be furnished for the work, headed by Dr. Matthews.

Down at Jefferson.

\$70,573.97 is the amount of the deposits in the Jefferson Bank. The Review gives this as an evidence of the prosperity of the town and declares that it doubts if there is any town of its size in the valley that can make an equal showing. The deposits in a bank are a splendid indication of the business of a city, speaking for the daily clearances. During the past year Albany's deposits have increased over 40 per cent.

MISFITS.

A Mixture of Things and Thought

Albany beats them all on cement walks.

Farmers want some weather for seeding. Spring wheat is not in.

Now, please drop the Thaw pictures for awhile. The public is tired out.

If this Hermann trial keeps on much longer the defendant won't have any memory left.

W. S. U'Ren, the father of the referendum, is one of the men opposed to giving the people a chance to vote on the U or O bill.

Chicago has a Society of Perpetual Youth. Every member who gets sick is to be fined \$1. Every town needs a society providing for a fine of \$1 for talking about one's ills.

With \$60,000 a year to use the U. of O. isn't going to be hurt any by the reference of the appropriation bill. The case is one the people have a right to vote on as it is their money that is spent. Besides it is a question that needs to be presented to the voters and settled for good. In the long run it will undoubtedly be the best thing for the University, particularly if it wins out on a popular vote.
