Nature Gives Timely Warnings That No Albany Citizen Can Afford to Ignore.

Danger Signal No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage. Danger Signal No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Albany proof: Mrs. A. R. Hill, of 331 East Fifth St., Albany, Oregon, says: "Not a word too much is said in praise of Doan's Kidney Pills and it ought to be proof enough of their merits when people living right here in Albany publicly recommend them instead of some unknown persons in Texas or some other faraway place. I have used Doan's Kidney Pills myself and know of many more who have used them. In my case they cured backache and troublesome symptoms of kidney complaint. Everyone else who has used them to my knowledge have had the same satisfaction, and that is why I lend my name in endorsing the remedy." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.

FOR STOMACH SUFFERERS.

Don't Use Any Remedy That Keeps Its Formula a Secret.

People who are troubled with stomach weakness cannot afford to use any remedy unless they know what it contains.

Mi-o-na is not a mere digestive giving only temporary relief, but a specific for all disorders of the digestive organs, and so effects a permanent cure for stomach troubles.

Your physician will tell you that nothing is better than a combination of chemically pure bismuth subgallate to allay any inflammation of the stomach and bowels; certain oxalate, to strengthen the stomach nerves; sodium bi-carbonate, which neutralizes the poisonous acids that are present in the stomach troubles; and rux vomica, which will restore vigor to the digestive organs and tone the whole nervous system.

This combination is found only in Mi-o-na stomach tablets, and it so rarely fails to strengthen the digestive system and cure all forms of stomach disorder, that Foshay & Mason sell the remedy under a guarantee to refund the money unless it cures.

S.S.S. PURIFIES THE BLOOD

As every part of the body is dependent on the blood for nourishment and strength, it is necessary that this vital fluid be kept free from germs, impurities and poisons. As long as it remains uncontaminated we are fortified against disease and health is assured; but any humor or impurity acts injuriously on the system and affects the general health, or culminates in some special blood disease. Pustular eruptions, pimples, rashes and the different skin affections show that the blood is in a feverish and diseased condition as a result of too much acid, or the presence of some irritating humor. Sores and Ulcers are the result of morbid, unhealthy matter in the blood, and Rheumatism, Catarrh, Scrofula, Contagious Blood Poison, etc. are all deep-seated blood diseases that continue to grow worse as long as the impurity or poison remains in the circulation. Many persons are born with an hereditary taint in the blood and we see the effect manifested in various ways. The skin has a pallid, waxy appearance, the eyes are weak, glands in the neck often enlarged and usually the body is not fully developed or strong, because it has always been fed on weak, impure blood. In all blood troubles S. S. S. has proved itself a perfect remedy. It goes down into the circulation and removes all poisons, humors, waste or foreign matter, and makes this stream of life pure and health-sustaining. Nothing reaches inherited blood troubles like S. S. S.; it removes every particle of taint, purifies and strengthens the weak, deteriorated blood, supplies it with the healthful properties it needs and establishes the foundation for good health. Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all blood diseases and disorders are cured permanently by S. S. S. It is made entirely of roots, herbs and barks, and is the King of all blood purifiers. Book on the blood and any medical advice desired sent free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Electric Ironers.

MANY LADIES prefer to iron their own shirt waist, and dainty lingerie, but to very recently ironing has been a most arduous task, for there are a hundred and one petty annoyances with an ironing board. In the first place the atmosphere gets to be stifling by the time the irons are hot enough to be used and then what happens to the appearance and feelings of the little housewife? It is no wonder she feels her desire to work knocked out in one blow even before she has commenced her task. Then when she endeavors to overcome her early fatigue and puts some zest to her work, she is confronted by smoky irons which mar the freshness of her dainty garments. Time wasted in waiting for irons and money wasted in trying to keep irons at just the right heat, are two things which must worry and fret any sane person. Perhaps then the expression of delight over the Electric flat iron in the laundry may be easily accounted for. All that is needed is to attach the iron to a socket and turn on the current, then the iron is kept at an even heat, no smoke, no wasted heat, therefore no wasted money, no scorching of the clothes and better still the temperature of the room remains as before the heating of the iron. There is no need to ask if the Electric flat iron is popular with discerning, up-to-date American women; and if those discarded irons might have a say they would tell you that they are literally on the shelf, to remain there, too, for the Electric heated iron is there to stay, and is queen of the laundry.
