MISFITS.

A Mixture of Things and Thoughts

A man at Box 70 R. F. D. 5 is advertising in the Oregonian for a wife. Who wants No. 70, whoever he is.

People generally are appreciating the fact that Albany is alright, business is good, the houses are full and prospects are bright.

Some one complains because the Albany papers haven't moved the depot for several days. Well, we're ready and doing our best. What's the council doing?

The republicans have four men running for nomination for mayor, of Portland, Coffey, Delvin, Kellaher and Zimmerman, each one of whom is sure of getting the nomination.

The Great Western is the name of a new boat launched at Independence. As it is only 18 feet long it is not liable to compete very heavily with the Great Eastern.

Albany College has a good base ball team, one that deserves the support of our people, who should turn out to its games. The attendance yesterday was very poor, and the boys went in the hole.

A Great Play.

Salome, New York and London's late sensation with Wilfrid Rogers as King Herod will be the attraction at Albany on May 7th, coming direct from San Francisco with the original cast, scenes and mechanical effects from the remarkable run of four weeks. This great play is bound to prove the greatest dramatic event of this season in Albany.

Salome is creating a great stir in local theatrical circles. Since the osculatory "Sapbo" was first produced no play has aroused the interest of the public as has the impressive and awe-inspiring drama of Oscar Wilde. While "Salome" was produced in operatic form in New York, the first dramatic presentation in America was given in San Francisco by the members of this clever company.

The theater goers of Albany should appreciate this rare opportunity to witness this sensational play "Salome" in all its intirety will be seen at Albany on Tuesday eve, May 7th. Seats on sale at Woodworth's.

Marvin Boy Found.

DOVER, Del. May 4.—The body of the missing Marvin boy was found in a marsh near his home. It is undecided whether he was murdered, or died of exposure.

YOUR SELECTION FOR A WHEEL.

should be made with careful discrimination. You want the best you can buy. There are more poor and worthless wheels on the market than there are good ones. If you decide on a SNELL I know you will never regret it. Expert testimony furnishes ample evidence of its superiority over any make. The Albany Gun Store has a fine stock on hand. Look at them before you buy, it will pay you.
