Get Rid of That Indigestion at Once by Using Mi-o-na.

Many people in Albany are slowly poisoning themselves by chronic indigestion. The neglect to cure sluggishness of the important organs of digestion fills the system with fermenting and decaying food that results in sick head ache, heartburn, bad taste in the mouth, and many other symptoms. Mi-o-na stomach tablets are for the special relief of such sufferers. They quickly cure the worst cases of indigestion and when used a few days the pain and distress often felt after meals will disappear. Mi-o-na stomach tablets cost but 50 cents a box and do more good than a dozen boxes of the ordinary digestive tablets. Foshay & Mason give an absolute, unqualified guarantee to refund the money if Mi-o-na fails to cure.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred dollars to any case that it fails to cure. Send for list of testimonials.

S.S.S. CURES BLOOD POISON

The first symptom of Contagious Blood Poison is usually a little sore or ulcer which does not always excite suspicion because of its insignificance; but as the poison becomes more firmly rooted in the blood, the mouth and throat ulcerate, copper-colored spots appear, a rash breaks out on the body, the hair begins to come out, glands in the neck and groins swell, and often ulcerating sores form on the limbs, hands or face. But this is not all; if the poison is allowed to remain it works down and attacks the bones, causing necrosis or decay, and makes a complete physical wreck of the sufferer. It will not do to tamper with a disease so powerful as Contagious Blood Poison, for every day the virus remains in the blood the trouble is progressing toward a more dangerous stage, and may in the end get beyond the reach of any treatment. There is but one certain, reliable cure for Contagious Blood Poison, and that is S. S. S., the greatest of all blood purifiers. This remedy attacks the disease in the right way by going down into the blood and forcing out every particle of the poison. It makes the blood pure and rich, strengthens the different parts of the body, tones up the system and cures this humiliating and destructive disorder permanently. The improvement commences as soon as the patient gets under the influence of S. S. S., and continues until every vestige of the poison is driven from the blood, and the sufferer completely restored to health. S. S. S. is not an experiment, it is a success and has cured thousands of cases of Contagious Blood Poison in every stage, and being entirely free from minerals, is as safe as well as certain treatment. If you are suffering with this debasing disease get the poison out of your blood with S. S. S. before it does further damage. Special home treatment book on the disease and medical advice sent free to all who write.
