Doan's Kidney Pills do one thing They cure sick kidneys.

They cure sick kidneys.

They cure backache, every kidney ill. Here is Albany evidence to prove it; C. Pratt, job carpenter, living a mile and a quarter cast of Albany, Ore., says: "I am just as enthusiastic in recommending Doan's Kidney Pills today as I was in March. 1903, just after I had used the remedy. As I said then, I had suffered from severe backache brought on by a strain, and any cold or over-exertion quickly affected the kidneys and caused the pain in my back and likns to increase. A friend advised me to try Doan's Kidney Pills so I went to Foshay & Mason's drug store and got a supply. They helped me from the first and after a short use I was entirely cured of the pain and backache. There has been no return of the trouble since."

AN INHERITANCE OF DISEASE AND SUFFERING

No truth is more forcibly manifested in physical life than the old saying "like begets like;" for just as the offspring of healthy ancestry are blessed with pure, rich blood, insuring health and strength, so the children of blood tainted parentage inherit a polluted circulation to burden their existence with disease and suffering. Swollen glands about the neck, brittle bones, weak eyes, pale, waxy complexions, running sores and ulcers and general poor health, are the usual ways in which Scrofula is manifested. In some cases the blood is so filled with the scrofulous germs and tubercular matter that from birth life is made miserable with suffering. Others who inherit the disease succeed in holding the trouble in check during young, vigorous life, but when the system has begun to weaken and lose its natural vitality, and especially after a spell of sickness, the ravages of the disease will commence, and in a great many cases terminate in Consumption. S. S. S. is the very best treatment for Scrofula. It renovates the entire circulation and drives out the scrofulous and tubercular deposits, S. S. S. is the greatest of all blood purifiers, and it not only goes to the very bottom of the trouble and removes the cause and cures the disease, but it supplies the No truth is more forcibly manifested in physical life than the old saying

and cures the disease, but it supplies the weak, anaemic blood with the healthful properties it is in need of. S. S. S. is made

entirely of healing, cleansing roots, herbs and barks, and is an absolutely safe remedy for young or old. Book on the blood and any medical advice about Scrofula given free of charge.
