

## Hall Guilty.

**A. M. CANNON**

About to Get an Important Office.

Salem, Feb. 10.—There has been a good deal of speculation over the state as to who would succeed Mr. McKee as clerk of the United States District Court under Judge Wolverton. While there has been no official announcement, it may be semi-officially announced that the lucky man is A. M. Cannon, a member of the law firm of Cannon & Carson, who is now engaged in closing out his business here. Mr. Cannon formerly lived in Albany and studied in Judge Wolverton's office.

A Great Victory for Heney and the People.

Portland, Or., Feb. 8.—The jury in the case of the U. S. Sgt. Joan H. Hall, former U. S. district attorney, charged with conspiring with Butte Creek Land Livestock and Lumber Co., to maintain an illegal fence in Eastern Oregon, this morning brought in a verdict of guilty. Judge Hunt gave his charge to the jury last night and they began its consideration, resulting in the verdict, one of attorney Heney's greatest victories. A sealed verdict was filed at 1:30 a. m.

Sixty days was given to make an appeal. Binger Hermann and Booth are to be tried next, the date not yet being fixed.

Tip Humphrey hits the Nail.

Jefferson Review:—The Albany Herald wants the Linn county court indicted because it did not have the county bridges built by contract. The court has had the work done by the day, under direction of Commissioner Butler, one of the best bridge builders on the coast and in each case first class work has been done and many thousand dollars has been saved the tax payers. Indict nothing! The members of the court should be presented with gold medals by the tax payers. Marion county would be much the gainer if her county court would follow the example of that of Linn.
