Here's Some Good Sense.

The Eugene Register is a paper of different calibre. It favors boosting for everything in Oregon regardless of how the vote was on the U. of O. bill, for Albany, Salem and Corvallis the same as for others, and favors an excursion to this city in a spirit of good will and harmony. Say, that's sense, and is the spirit that counts. Regardless of how Linn county voted we'll bet Albany and Linn county prove as good friends to the U. of O. as it has in the state, particularly if this kind of policy is followed.

A Fine Increase

The post office business for May shows a \$14,000 gain, and so do those for the five months of this year. They were: \$1217.07. The receipts for postage stamps alone were \$1162.45. For May, 1907 they were \$915.57, an increase of about 25 per cent. This is a good showing and speaks for the business of the city.

ALBANY REAL ESTATE AS AN INVESTMENT.

Do you know that there is no better investment in the world than in real estate. Albany has advantages not to be had by any other city in the valley, investments made here in real property at the present prices will pay a good rate of interest on the interest on the investment. The person is blind indeed who cannot see a population of not less than fifteen thousand for Albany ten years hence.

The increase in population will increase the value of your property proportionately, which means dividends if you collect rents, and profits if you desire to sell.

THE MOST INDEPENDENT MAN IS THE ONE WHO OWNS HIS OWN HOME, you can never get one cheaper than at the present time. Nothing better or surer than Albany real estate. There is no better way to SAVE MONEY than to invest in Albany property.

If you are looking for a safe investment, or a home for yourself thereby stopping that rent leak, then call at my office and look over the bargains which I have to offer.

If you have a piece of city property you desire to sell, you should list it with this office for a quick sale.

The line is so much out of the ordinary that we can not begin to describe the difference between "THE EVER-RITE LINE" and the other kinds, but wish you might drop in at our store and see for yourself. The prices are right too. In fact cheaper than the other kind, considering the quality.

See our window display this week and then come in and let us explain the WHY of it. Remember we are the exclusive agents in this town for "THE EVER-RITE LINE," Manufactured by THE IDEAL RUBBER MFG. CO., of Chicago.
