THIS MORNING

News from Six of Albany's 26 Passenger Trains.

One of the biggest crowds that ever left Albany for the state fair grounds went this morning, perhaps the biggest. The platform and yard were covered, and it took hustling to meet the call for tickets. Besides Albany people crowds came on the Springfield, Lebanon and Corvallis trains. Too many to mention names.

248 tickets were sold for the Cottage Grove local, Albany to the fair, being those only who went from this city, those coming in on the Springfield, Lebanon and Corvallis trains already having their tickets.

Mr. and Mrs. J. H. Simpson and Cecil Cathey and family went to Portland to attend the funeral of Mrs. Margaret Lyle, an aunt of Mr. Simpson.

Mrs. Albro Dickinson and daughter left for their home at Raymond, Wash., after a summer's visit at Albany. They were accompanied as far as Portland by Miss Sarah Chambers.

Mr. and Mrs. S. S. Range who have been running moving picture shows at Eugene left for Portland, where they will reside. Mr. Range will engage in the wholesale film business, furnishing films for the show houses.

Mr. Charles O. Lee left for his home at Culver, Crook county, to reside, taking with him the best wishes of the many Albany friends he has made during his long residence here. Mr. Lee was chief of police for several years, afterwards engineer, serving the city efficiently. Mrs. Lee will go later.

All day and party, after an outing up in the Cascades, left for their homes at Portland.

Arlo Armstrong, of Eddyville, formerly of this city, came over from Corvallis, where he made arrangements to enter the O. A. C.

Lawyer Tussing and Editor Brown and Minister Sperry came down from Brownsville.

WHERE WILL IT BE.

Mr. Yoakim, the post office site inspector, has been a busy man. Last night he met with several at the Alco Club parlors and discussed sites, and particularly the block in front of the court house, which some would like to have cleared and the whole block used. The site selected is speculation except with Mr. Yoakim. A new site being considered is the right corner, at Broadalbin and Second, for which a bid is said to have been offered.

Mr. Yoakim was in the government service in Porto Rico, seven years, an experienced man, one who evidently intends to do the square thing.

Foot Ball.

Albany College is to have the best foot ball team for several years according to the Albany correspondent of the Oregonian, with some splendid material for Coach Luck to work on, among the men being Capt. Manager Fortmiller will go to U. of O. and Dunc. Monteith, one of the best players Albany has ever had to Cornell.

STREET CARS

Amicable Settlement. Work to Go Ahead Under New Franchise.

A special session of the city council was held last evening, with the Mayor, Recorder and all the councilmen present. The object was a conference with Mr. Welch and his counsel, Mr. C. E. Sox, in reference to the street car franchise, the council objecting to the perpetual franchise. The matter was satisfactorily adjusted in a manner decidedly creditable to Mr. Welch and the council. Mr. Welch, who has bought all the interests of Mr. Hershberg and others in the Albany Street railway Co. voluntarily offered to give up the old franchise, and a new one will be granted, with an entirely new system arranged, a part of the valley line. It will exclude freight cars on the down town tracks, except for delivery of freight to merchants. The routes selected will depend upon the location of the new post office, which will be passed if possible, the First and Lyon street tracks remaining as reconstructed. This part of it will be attended to as soon as possible, to be completed in 90 days.

Mr. Welch has already signed a contract with the Warren Co. for paving, and the contract with the city will be signed in a few days. The outlook is bright.
