## HARRISBURG

Bulletin:—Mrs. Geo. Wilhelm and baby left yesterday for a two months' visit at Los Angeles.

J. C. Ingram died in this city yesterday morning at six o'clock after an illness of nearly two years of consumption.

Bernard Sanders is quite ill at his home in Portland of typhoid. He is getting along fine however and from present indications will have a very short run of the disease.

Until disputed Harrisburg will lay claim to possessing the oldest woman resident of Linn county. Mrs. Ann Curtis is 94 years old.

The top price for early hops was paid here the latter part of last week when J. R. Cartwright, Robert Stroda, W. L. Tyler and May & Kelsey sold for 7 1/2c.

County Fruit Inspector Roberts was in town last Friday in the interests of the Apple Fair to be held at Albany in November. He is asking the donation from each of the towns in the county of a prize cup. When he left Harrisburg he said the funds raised here would buy a finer cup than any of the other towns had yet contributed.

Chas. M. Stafford, of Ardoch, N. D., is the man who is responsible for the small boy's presence on the street, instead of at his desk in our public school. He is undoubtedly a good instructor but rather a poor excuse for a man. Still it will do us no good to be too hard on him. More than likely he will never ask for the job again. The letter came only three or four days before school opened. It simply stated that he had been offered a much more lucrative position by a real estate firm in Portland.

## Died.

Vernita, daughter of Mr. and Mrs. Fred Glaze, of Benton county, died this afternoon of cholera infantum, at the age of nearly a year, a bright and lovable little girl, whose death is greatly regretted by all knowing her and the many friends of the family.
