"Chic" Perkins in A New Play.

"Chic" Perkins is starring this season in "The Little Prospector," a sparkling four act comedy-drama, which is admirably adapted to the style and methods of this fascinating little actress, and in which she is fast making an enduring reputation. The play has the merit of being absolutely new and it has positively never been seen on any stage until presented by this company. "The Little Prospector" was secured by Manager Frank G. King, for "Chic" Perkins on heavy loyalty from the American Amusement Association of New York City, which is a guarantee in itself of its superior dramatic qualities. This play, gorgeously equipped with scenery and a complete acting company, will be presented at Albany on Wednesday next.

Whose Horses.

Brownsville Times:—

Sheriff Frank Elkins and Deputy Sheriff John Edwards, of Prineville, were in Brownsville Friday, and Saturday, near Harrisburg, arrested Chas. and Oliver Erickson, father and son, of Crook county, formerly residents of Foster, on a charge of horse stealing. The theft was committed in Crook county and the sheriff and his deputy followed the Ericksons across the mountains to the valley, finally overhauling them as stated above. One of the animals stolen was the property of Marion Biggs, of Prineville, he of recent bad fraud fame, who swore out the warrant upon which the officers made the arrest. The Ericksons drove several head of horses to the Valley and were attempting to sell them when arrested.

MISFITS.

A Mixture of Things and Thoughts

Benton is crowing. It has reason for it.

Look long faced when the knocker is around.

Oregon has the stock as well as the climate.

Oregon's state fair is a case of development until it is on the top rung.

Next year Linn county will have the goods at the fair. Start it going now.

A state fair is a good place to study human nature; but, then, any place is.

No liquor sold, no pool sellers, on the fair grounds, and yet it was the greatest success yet.

The starter at the grand stand of the state fair besides starting has numerous other duties, and he does them well. Yesterday a crying boy was at his feet. He stopped the noise, and cried: "Who has lost a boy. Johnny wants his pa." A man clear off in a corner raised his hand and got his boy. He ought to have been spanked—the father.

A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of This Albany Citizen is Followed.

A woman's back has many aches and pains.

Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it.

Many Albany women know this. Read what one has to say about it:

Mrs. B. V. Flagg, of 231 Main St., Albany, Or., says: "I have suffered greatly with pain in my back, through the loins and down into the limbs. There has been times when I was unable to get about to attend to my household. I found little rest day or night, because of the persistent aching and soreness. The kidney secretions were disordered and though I kept trying different remedies I seemed to get worse constantly. A neighbor induced me to try Doan's Kidney's Pills and my husband got a box for me at Foshay & Mason's drug store. After using them about three weeks not an ache or pain remained. I have been doing my own work since without the least inconvenience. I heartily recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

S.S.S. CONTAINS NO MERCURY

Medicines containing Mercury are often given to persons suffering with Contagious Blood Poison, and so powerful is the action of this drug that it frequently removes the symptoms in a short while, and shuts the disease up in the system to do greater damage to the delicate internal members. When, however, the treatment is left off, the disease always returns, and the patient finds that his health has been injured by this powerful mineral, and he is often left with weak stomach, disturbed digestion, mercurial rheumatism, etc. The action of S. S. S. is entirely different. It contains no Mercury, nor any other harmful drug, but is made entirely of healing, cleansing roots and herbs. It cures Contagious Blood Poison by removing the virus from the blood. It searches out every particle of the poison and does not leave the least trace for future outbreaks. S. S. S., in addition to curing the disease, builds up and strengthens every part of the body. Its firm tonic effects tone up the stomach, and digestion, improve the appetite and regulate the entire system. Home-treatment book containing valuable information about the different stages of the disease and any medical advice desired sent free to all who write.
