Governor Haskell has resigned as treasurer of the national democratic committee. Trying to make capital against Bryan on account of his failings is small business.

W. F. Cody, better known as Buffalo Bill, has been in Portland this week showing himself and attractions. He is getting to be quite an old-timer. The wild west spirit continues to interest, but there is no longer any wild west. The east has become the wildest part of the country, and Wall street is the worst of all.

## S.S.S. DRIVES OUT BLOOD HUMORS

The skin is not simply an outer covering of the body, but through its thousands of pores and glands it performs the great and necessary work of regulating our temperatures, and also assists in disposing of the refuse and waste matters of the system by the constant evaporation that goes on through these little tubes. To perform these duties the tissues and fibres which connect and surround the pores and glands must be continually nourished by pure blood. When from any cause the circulation becomes infected with impurities and humors, it loses its strengthening powers and begins to disease and irritate the delicate tissues, and produces Eczema, Acne, Itch, or some other itching, disfiguring skin trouble. S. S. S. cures skin diseases of every kind by going down into the circulation and neutralizing and removing the impurities and humors. It changes the quality of the blood from an acid, fiery fluid to a cooling, health-producing stream, which, instead of irritating and inflaming the skin, cures and nourishes it by its soothing, healthful qualities. Salves, washes, lotions, etc., may be used for any temporary comfort or cleanliness they afford, but skin diseases cannot be cured until S. S. S. has purified the blood. ## A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of This Albany Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it.

Many Albany women know this. Read what one has to say about it:

Mrs. B. W. Flagg, of 231 Main St., Albany, Ore., says: "I have suffered greatly with pain in my back, through the loins and down to the limbs. There has been times when I was unable to get about to attend to my housework. I found little rest day or night, because of the persistent aching and soreness. The kidney secretions were disordered and though I have tried different remedies I seemed to get worse constantly. A neighbor induced me to try Doan's Kidney Pills and my husband got a box for me at Doan's & Mason's drug store. After using them about three weeks natan aches or a pain remained. I have been doing my own work since without the least inconvenience. I heartily recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.
