IN AND AOUND ALBANY

The finest brand of scissors in the city at Baltimore, every pair guaranteed. Money back in ten days if not perfectly satisfactory. W. J. Smith, of Riverside, left a couple of apples at the Democrat office, which he wants named. They are seedlings, large, fine looking fruit. The Democrat stated that Mr. O'Brien went to his room at the St. Charles after his gun. This was a mistake. It was elsewhere. We beg the pardon of the St. Charles. The Railroad Commission has directed the attorney general to bring suit against the S. P. to compel it to operate trains between Tallman and Crabtree, discontinued on account of the bridge being washed out.

HOME AND WORK

A Eugene councilman has gotten mad and tendered his resignation. Prineville has issued a quarantine order against Bend on account of small-pox. The body of J. F. Nixon, drowned at Harrisburg, has not yet been recovered. A reward of \$130 has been offered for it. Pittsburg, New York and Chicago in the National League are having a sesaw game for the lead, and are in the ordeal stated now, a point apart. Assessor Geo. W. Staley, of Douglas county, has given the S. P. assessment a terrific boost for the coming year. \$44,250 a mile, an increase of \$14,250 a mile. He said it is made to meet a proportionate raise in the value of other property. Following is the condition of the several national banks of Portland, at the close of business, September 23rd, First National assets, \$12,294,354; United States National \$9,102,021.86; Merchants National \$3,874,549.42; Lumberman's National \$1,443,217.07. The combined assets were \$26,815,142.35. A new order in the postoffice department went into effect last week. By its terms defaced stamps hereafter are worthless. Should a corner be torn off, no matter how small, or the stamp be mutilated in any way it cannot longer be used. All letters bearing such stamps will be held at the post office two weeks for recovery, and at the end of that time, if not claimed, will be sent to the deadletter office.

A Mixture of Things and Thoughts

Should a crime ever be compromised. Albany continues to be a fortunate town.

The best town anywhere in the world: Albany.

Albany is now all right, everything is all right, and let all boost.

Subscriber:—Yes, assault with intent to kill is a penitentiary offense.

There are lots of things in this world under the surface that have to be kept there.

Come to the Democrat office with your boasts, personal, social and industrial.

Times:—What has become of that proposed electric line from Albany to Brownsville?

Portland Journal:—A Blind pig is established near a cemetery in Albany. That seems rather appropriate.

Now, lets have harmony in Albany and all work together in making this a peerless city, one of progress, peace and fellowahip.

An exchange suggests the following appellation in the presidential candidates: "Fatt the fearless, Bryan the peerless, Haffin the beerless, Dobe the garless"

One of the contributors to the Bry: fund at Portland is B. F. Davenport, an uncle of Homer, the artist, who sent in \$2, which will just about offset Homer's cartoons.

An Ohio judge has held that cigarette smoking is sufficient ground for divorce. Correct, but if the man was a cigarette smoker when he was accepted the decision is a mighty poor one.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of This Albany Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it.

Many Albany women know this. Read what one has to say about it:

Mrs. R. V. Flagg, of 231 Main St., Albany, Ore., says: "I have suffered greatly with pain in my back, through the loins and down into the limbs. There has been times when I was unable to get about to attend to my household. I found little rest day or night, because of the persistent aching and soreness. The kidney secretions were disordered and though I kept trying different remedies I seemed to get worse constantly. A neighbor induced me to try Doan's Kidney Pills and my husband got a box for me at Foshay & Mason's drug store. After using them about three weeks I began to feel better. I have been doing my own work since without the least inconvenience. I heartily recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.

S.S.S. BEST TREATMENT FOR CATARRH

The entire inner portion of our bodies is covered with a soft, delicate lining called mucous membrane; this is kept in healthy condition by the nourishment and vital vigor it receives from the blood. So long as the circulation remains pure this membrane will be healthy, but when the blood becomes infected with catarrhal impurities, and poisons this inner lining of the body becomes irritated and diseased, and the unpleasant and serious symptoms of Catarrh commence. There is a tight, stuffy feeling in the throat, nose, watery eyes, buzzing noises in the ears, often slight deafness, difficulty breathing, etc. The disease cannot be reached by external treatment, though such measures afford temporary relief in some instances. S. S. S. cures Catarrh by cleansing the blood of all impurities and poisons. Then as pure blood circulates through the body, the inflamed, irritated membranes heal, the discharge ceases, headaches are relieved and every symptom disappears. Catarrh, being a disease in which the entire blood circulation is affected, can only be cured by a remedy that goes to the very bottom and removes every particle of the impurity from the blood, and this is just what S. S. S. does. Book on Catarrh and any medical advice free to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA.
