IN AND AROUND ALBANY.

Bowling at the Alco alleys every evening. The finest brand of scissors in the city at Baltimores, every pair guaranteed. Money back in ten days if not perfectly satisfactory. Josh Perkins last night drew a packed house. The gallery run over and down stairs was crowded. People like a good rural play, and Josh Perkins fills the bill. The high school last night gave a reception to the freshmen, an introduction to the high life of this important department of the public school work. It was an enjoyable affair. The motor boat race at the Empire, given last night, the attraction also today, is the real thing, a contest full of interest. These motors are marvels of speed, a race being a very exciting thing, and the moving picture makes one real. HOME AND ABROAD.

Andrew J. Purvine died at Salem yesterday at the age of 75 years. Here is a Salem personal: C. H. Bugan and Frank Hardy, of Albany, were in town yesterday. \$2,600 was received for a car load of Modford pears, in New York. The record price was \$2.73 for half boxes of Comice pears. The Corvallis cannery has closed down for the season. It had intended to make a big run on tomatoes, but the frost stopped that. After January 20 there will be 91,810 acres of land open for entry in Douglas, Lane and Benton counties. The opening will be at Roseburg on Dec. 21. Henry Parker, a ten year old Corvallis boy, this week tackled the foot ball dummy at the College so fast he broke one of his legs. Almost any kind of foot ball causes some kind of a scar. Dr. O. K. Beers, superintendent of Eleanor Club No. 3, of Chicago, has left on a trip through the south and west, and will be in Albany on a visit with her sister, Mrs. Bryant, and many friends, before her return to Chicago. Lane county this week ordered a \$3,100 paving bill paid, being along the county's property in Eugene on Oak street. At the previous session a bill of about the same amount was allowed for pavement on East Eighth street. \$6,000 in all by Lane county for helping to boost Eugene is certainly good.

RUBBER GOODS.

WE have at last found what we have been looking years to find; a complete line of Rubber Goods that the manufacturers have confidence in and to absolutely guarantee for 2 years to the consumer. We honestly believe even one of them is better than any other. The line is so much out of the ordinary that we can not begin to describe the difference between "THE EVER-RITE LINE" and the other kinds, but wish you might drop in at our store and see for yourself. The prices are right too, in fact, cheaper than the other kind, considering the quality. See our window display this week and then come in and let us explain the WHY of it. Remember we are the exclusive agents in this town for "THE EVER-RITE LINE." Manufactured by THE IDEAL RUBBER Mfg. Co. of Chicago. Woodworth Drug Co.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing out an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free. F. J. CHENEY & CO., Toledo, O. MISFITS.

A Mixture of Things and Thoughts The east has gone plum crazy on base ball. Illinois voters will do well to bust the Cannon. Some one ought to be licked over in Europe anyway. If you are going to make a noise let it sound like a boost. The Oregon Presbyterians also condemn Cannon. Hit him again. The most valuable Celestials in the valley are at Jefferson. E. A. Mills killed one with a \$50 diamond in it. Senator Fulton is booked for a political speech in Albany on the 29th and Mr. Butler on the 22nd, both for Taft. Albany will have to get back to its old style of street sprinkling, with the hose, if the dusty weather continues any longer. Jefferson Review.—A man who allows personal feelings to figure in his writings is not fit to run a newspaper. One must learn to ignore personalities and treat all alike. Brownsville Times: Assault with intent to kill is a penitentiary offense. If one Albany man assaulted another with intent to kill, as stated, why should the crime be compromised? One great trouble with Albany is not enough law enforcement. Died at Lebanon. The E. A. Mrs. S. A. Blodgett passed away early yesterday morning at the home of her son-in-law, W. W. Crawford, four miles west of Lebanon, after a long illness, aged 66 years 4 months and 24 days. The deceased was born in St. Joseph county, Indiana, May 14, 1842. She came to Oregon at an early day and was one of the best known and most highly respected pioneer ladies of this community. She leaves six children. Mrs. A. W. S.S.S. A CURE FOR RHEUMATISM

Rheumatism is caused by an excess of uric acid in the blood, which is carried through the circulation to all portions of the system. Every muscle, nerve, bone and joint absorbs the acid, pain-producing poison, causing aches, inflammation, stiffness and other well known symptoms of the disease. Permanent relief from the pains and discomfort of Rheumatism cannot be expected from the use of liniments, plasters, or other external treatment which does not reach the blood, where the cause is located. Such measures give temporary relief, but in order to cure Rheumatism the uric acid and inflammatory poisons must be expelled from the blood. S. S. S. cures Rheumatism, because it is a perfect blood purifier. It goes down into the circulation, neutralizes the uric acid and drives it from the blood. S. S. S. expels the irritating, inflammatory matter which is causing the pain, swelling and other discomfort, enriches the weak, sour blood, and permanently cures Rheumatism. In all forms of Rheumatism, whether acute or chronic, S. S. S. will be found a safe, vegetable remedy, possessing the properties needed to cure, and at the same time a medicine that builds up the entire system by its fine tonic effects. Book on Rheumatism and any medical advice free to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA.

A WOMAN'S BACK.

The Aches and Pains Will Disappear if the Advice of This Albany Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it. Many Albany women know this. Read what one has to say about it:

Mrs. B. V. Flagg, of 231 Main St., Albany, Ore., says: "I have suffered greatly with pain in my back, through the loins and down into the limbs. There has been times when I was unable to get about to attend to my household. I found little rest day or night, because of the persistent aching and soreness. The kidney secretions were disordered and though I kept trying different remedies I seemed to get worse constantly. A neighbor induced me to try Doan's Kidney Pills and my husband got a box for me at Poskey & Mason's drug store. After using them about three weeks not an ache or pain remained. I have been doing my own work since without the least inconvenience. I heartily recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.
