HOME AND ABROAD

Jim Corbett, the celebrated fighter, will be here Oct. 10. Mr. George Garrett, Benton county, and Miss Myrtle Purdy, of Lebanon, were married at Corvallis this week, by Rev. H. H. Hubbell. A company has been incorporated to build an electric line from Eugene to the Blue River mines. Zera Snow and others are at the back of it. Will E. Gwynn, who recently acted as an official in the Pacific-Albany foot ball game, a splendid young man of character, has been elected president of the student body of Pacific University, defeating Alex Robinson, a leading athlete. Miss Mary Adele Case, of Portland, has won a great musical victory in Europe, by being selected as the soloist for Harold Bauer, a celebrated pianist, in his coming tour, in competition against a large field of ambitious singers. Miss Case has been heard in Albany. J. W. Scriber, cashier of the defunct La Grande bank, has been arrested for embezzlement of funds of the bank, said to be \$12,000 and has confessed to the crime. Scriber is a former fellow student of Bank Examiner Gatch, who had an unpleasant duty to perform in making an examination of the bank. Scriber is a former Salem man, and used to be well known Albany.

IN AND AROUND ALBANY

Rev. J. C. Elliot was moderator of the recent session of the Presbytery of the Willamette at Creswell. Bring in your "Hull" detachable umbrella handles and get a new top. We have all grades. F. M. FRENCH, agent. There were eight-five "hoboes" around the depot yard bonfires last night, while on their way south to a warmer climate. Watkin's Tennessee Jubilee Singers at the U. P. church Friday evening, Oct. 23. Real negro jubilee singing and impersonation. The finest brand of scissors in the city at Baltimore, every pair guaranteed. Money back in ten days if not perfectly satisfactory. The "Hull" umbrella costs no more than other makes and you get the advantage of the only reliable detachable handle made. F. M. French, agent. Farmer Montgomery, the artist in Albany several weeks ago, will be here again next week, when his pictures will be shown down town, and he may give another talk. Further notice will be given. The Y. P. S. C. E. of the Presbyterian church last night, at the W. C. T. U. hall gave a reception to new students of the college, a pleasant affair, well attended. Games were played and a nice lunch served. George Gilbert Bancroft, the great psychologist, with whom a contract was made several weeks ago, will speak at the Christian church on Friday and Saturday nights, Oct. 23 and 24, giving an entertainment of rare merit. The first tiling for a store vestibule is being put in at the newly arranged store of the Blain Clothing Co., in keeping with the splendidly equipped store. J. N. Parent, a son-in-law of R. Thompson, has charge of the work, an expert workman. The most common machine in use is composed of many parts and people think because it is so generally used that any man claiming to be a machinist can repair it. That is a mistake for it requires skilled and expert workmen on that particular machinery. Roberts & Roberts sewing machine experts. Repairing and rebuilding at Mrs. E. Woodin's 3rd and Broadalbin. MISFITS.

A Mixture of Things and Thoughts

Newspapers want news now. Political rallies are always enthusiastic. Railroads are always immense institutions for a city before they are gotten. Corvallis has the fever and may raise \$5,000 for boosting. Send for Tom Richardson. It takes a wise man to make his money work for him as well as he worked for his money. The City of Eugene has gone down—a steamer plying down at Portland, not Mr. Hartog's town. It's all right.

Foot ball has become a warfare. Clubs send out spies to find out how the fellows play. A few spies will have to be executed.

"Now watch Marion grow", cries a correspondent of the little town in Benton county, in anticipation of Carver's road to Alsea.

The Japs may get even with the American fleet by furnishing a genuine typhoon. At least one man has been washed overboard.

Chairman Mack says the fight is won and Bryan will be elected. Mr. Mack says New York, Ohio and Indiana are sure for Bryan. Hurrah.

The mudslingers go so far as to picture Bryan hold of the wolf panic which came in the third year of the reign of Roosevelt the Rough Rider.

J. D. Stevens insists that he is a socialist. He ought to know, regardless of the statements of the secretary of the state central committee.

Jim Wilson, of Salem, says his friend S. L. Morgan recently shot a pheasant, winging it then crying to Wilson: "How shall I kill him, stab him under the wing?"

An obstinate man does not hold opinions, but they hold him; for when he is once possessed with an error, it is like a devil, only cast out with greater difficulty. Bishop Butler.

"Champion Peddler of heated atmosphere" is the way the Corvallis Times refers to Booster Hartog after that gentleman had told Corvallis how it could become a great city like Eugene.

According to the Leader a Cottage Grove man recently saw a big and little man jerking a cross cut saw across a log. He rushed up to the big man, punched him in the nose and remarked: "Now will you give that saw to him."

C. and E. Time Table. Effective Thursday, October 1st, a new time card will go into effect on the Corvallis & Eastern Railroad, as follows:

S.S.S. THE CURE FOR SCROFULA

Swollen glands about the neck, weak eyes, pale, waxy complexion, running sores and ulcers, skin diseases, and general poor health, are the usual ways in which Scrofula is manifested. The disease being deeply entrenched in the blood often attacks the bones, resulting in White Swelling, or hip disease, and the scrofulous and tubercular matter so thoroughly destroys the healthful properties of the blood that Scrofula sometimes terminates in consumption, an incurable disease. The entire circulation being contaminated, the only way to cure the trouble is to thoroughly purify the blood and restore the circulation to a strong, healthy state. S. S. S. is the very best treatment for Scrofula; it renovates the entire blood supply and drives out the scrofulous and tubercular deposits. S. S. S. is the greatest of all blood purifiers, and it not only goes right down to the very bottom of the trouble and removes the cause, but it supplies the weak, diseased blood with the healthful properties it is in need of, and in this way builds up weak, frail, scrofulous persons and makes them strong and healthy. S. S. S. is a gentle, safe, vegetable preparation and is suited for persons of any age. Book on the blood containing information about Scrofula and any medical advice free.
