THE INSPECTORSHIP.

"Penny wise and pound foolish," seemingly actuates many public officers and administrative bodies. Regarding the fruit inspector matter the argument is advanced that during the time we are without one the "wooly aphid and pestiferous bugs will probably not increase and damage the fruit any more than in the past." Any well informed fruit man with an ounce of horticultural knowledge and sense, knows that such a policy is dangerous and that right now is the time to begin to look after the trees that are to bear next year's crop. What evidence does the Court require regarding competency? Results certainly speak for themselves and a few years ago such an appleshow and exhibition as was recently held in this city was impossible. Wooly aphid and pestiferous bugs and insects have done great damage in the past and we are not yet free from their presence.

Then think of the economy. The bills of the fruit inspector did not average anywhere near the sum of one hundred dollars per month during the entire year. Hiring a man at a moderate expense armed with an oil can and a wise look to go to the outside cities and pour oil on the infected fruit is the biggest nonsense imaginable. Such a wonderful system for improving our orchards and fruit can only result in disaster.

For illustration, suppose that one grower honestly endeavored to improve the quality of his fruit through the diligent use of all the approved methods known and yet found it impossible to do so, due to the fact that a neighbor has an orchard and raises apples for his hogs to eat and of course infected and wormy apples are as good for hog feed as any other kind. The man who raises apples for his hogs does not care whether his orchard is a pest hole of destroying aphid and scale or not, and consequently cannot be forced to spray. How can his neighbor improve the quality of his fruit and have a perfect and acceptable product for the market with such an orchard adjacent.

It is just such a spirit that kept Linn County out of the field as a great fruit producing center. The communities that have achieved great success in the fruit growing industry are those that have spared no expense in the work of caring for and providing proper protection to the growers and men willing to invest in orchards that will produce marketable fruit.

As for economy. The State Commissioner was obliged to order a man into Linn to go as far as Brownsville and inspect some nursery stock that must have a certificate attached before the railroad will accept the trees for shipment. Under the law no fruit or nursery stock can be accepted for shipment until it has been properly inspected and labeled.

C. H. NEWS

Two notices of water appropriations were filed in the office of the County Recorder today. J. A. Youngman of Lane county gives notice that he has appropriated a portion of the waters of Fish Lake to the extent of 20 acre feet per annum; from Clear Lake he appropriates 53.600 acre feet per annum.

Janitor Blyeu desires to give notice to the public that a gift for the Boys and Girls' Aid Society of Portland should be sent to the court house not later than Tuesday. He will box and crate all donations without charge.

Marriage license: Thomas Lowell, aged 24, and Ethel Huston, aged 25, both of Harrisburg.

SILVERWARE We have the best Reed & Barton and Rogers Bros' at FRENCH'S JEWELRY STORE.

AGE NO BAR

Everybody in Albany is elig

Old people stooped with suffering. Middle age, courageously fighting. Youth protesting impatiently; Children, unable to explain; All in misery from their kidneys. Only a little backache first. Comes when you catch cold. Or when you strain the back. Many complications follow. Urinary disorders, diabetes, Bright's disease. Doan's Kidney Pills cure backache. Cure every form of kidney ills. J. C. Walling, retired, of 424 S. Denver St., Albany, Ore., says: "For several years I endured more or less suffering from kidney complaint, the worst trouble being a retention of the secretions and painful passages. I found temporary relief at times but Doan's Kidney Pills, which I procured at Foshay & Mason's drug store, proved to be the best remedy I had ever used for the trouble, bringing prompt and gratifying relief and fulfilling every claim made for them. Some of my neighbors have found equally good results from the use of Doan's Kidney Pills and I hear a great deal of praise for this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.

CIDER.

Made from choice apples, direct from the mill, or 4 days old, any age you want it, only 20c a gallon. We have good cider vinegar 6 years old 20c a gallon delivered anywhere in the city. Lone Pine Tree Farm, Home phone 2895.

SURGICAL OPERATION

Critical Operation Performed by Dr. Joseph Sternberg.

Pat H. Farrell a former resident of this city recently underwent a very critical and peculiar surgical operation in Portland, Dr. Joseph Sternberg of that city being the surgeon in charge. The patient had symptoms of heart trouble and paralysis of the lower limbs, and being unable to properly understand the case the surgeons decided on an operation and opened his stomach. They found gall stones growing in the orifice of the canal leading from the stomach to the intestine. Since their removal the patient has been resting much easier and is rapidly recovering.

A Knocker Knocked.

He came to town upon his jaw And soon got out his hammer. As a cheap buttinsky raw He'd surely take the banner.

Then this carpetbagger clown Declared he'd rule the roost, When he tried to boom the town He covertly knocked the boost.

This captious biggot strutting about Said that HE "should be consulted"; His own foolishness has put him out, Nothing else could have resulted.

His name would rhyme with "Demon," But the lesson we would teach Is that we drew a lemon, When we should have had a peach.

Immaterial is the name Of this puppet of monstrous mood, It will never be known to fame Nor in the annals of the good.

But let's be generous wherein he lacked, Nor give unnecessary pain, And take consolation in the fact That his departure is our gain.

Yet lest we ever should forget His little "stinger number one" We prophesied his sun would set And now we're glad that he is gone. —Otherfellow.

Home and Abroad.

S.S.S. THE CURE FOR SCROFULA

Swollen glands about the neck, weak eyes, pale, waxy complexion, running sores and ulcers, skin diseases, and general poor health, are the usual ways in which Scrofula is manifested. The disease being deeply entrenched in the blood often attacks the bones, resulting in White Swelling, or hip disease, and the scrofulous and tubercular matter so thoroughly destroys the healthful properties of the blood that Scrofula sometimes terminates in consumption, an incurable disease. The entire circulation being contaminated, the only way to cure the trouble is to thoroughly purify the blood and restore the circulation to a strong, healthy state. S. S. S. is the very best treatment for Scrofula; it renovates the entire blood supply and drives out the scrofulous and tubercular deposits. S. S. S. is the greatest of all blood purifiers, and it not only goes right down to the very bottom of the trouble and removes the cause, but it supplies the weak, diseased blood with the healthful properties it is in need of, and in this way builds up weak, frail, scrofulous persons and makes them strong and healthy. S. S. S. is a gentle, safe, vegetable preparation and is suited for persons of any age. Book on the blood containing information about Scrofula and any medical advice free.
