A Tocsin for the Times.
 By W. S. GORDON.
 An appeal to the thoughtless children of Christian ancestors:

O children of the saints, arise
 And gird your armor on!
 A "Promised Land" is still at stake,
 The day will soon be gone.

The royal blood is in your veins,
 And duty will not down;
 Your hand was made to wield the sword,
 Your brow to wear a crown!

Perchance you bear the name of one
 Who died for conscience sake—
 Some Paritan or Hugonot
 Who shrank not from the stake.

But what avails it all to thee—
 The martyrs fire and sword—
 If faithless to the sacred trust
 You fight not for the Lord?

As brave a battle wages now
 As waged in days gone by—
 You're matching pennies in your tents
 While others fight and die!

How dare you talk of "father's faith,"
 And "mother's prayers" for you,
 While trampling underneath your feet,
 The book that made them true!

Plead not the "changes of the times"
 Or cringing Custom's no!—
 Deserters always trailed the rear
 In the armies of our God!

His granite law must stand unchanged
 While God himself is true;
 The direct change that time hath wrought
 Is wrought by sin in you.

Still burns the old heroic fire,
 Still yawns the gulf of sin,
 Still surges on the giddy throng
 That blindly plunges in.

Still flows for you the crimson flood
 Of God's Eternal love;
 Still holy hands are beckoning
 From battlements above.

A dying world demands your life!
 No time for weak complaints!
 Then rise and gird your armor on
 Ye children of the saints!

Frenzied Thoughts.
 The Indiana Senatorship is one that won't be settled at the White House. That is something to be thankful for.

Mr. Morse was probably selected as an example of the Millionaire in jail because he violated the rule which prohibits stealing from another thief, which is a serious thing in New York. Stealing from the common people is, of course another thing.

Just as soon as Mr. Roosevelt leaves the White House he will have to smell of every dollar that comes into his hands to keep from being caught with Standard Oil money on his person. Even the "Outlook" which he is to edit is owned by a "Standard Oil" Magnate.

Nat Goodwin has tied, Lillian Russell's score!

Cubans appear to have looked up on the call to battle as a call to arms.

Mr. Morse says he would as soon be sentenced for life as for fifteen years; Well, we have no objection to accommodating him if he insists.

Since Mr. Morse soaked John W. Gates and Charley Schwab it is not surprising to learn that burglars have recently cleared out Big Bill Devery.

Delinquent subscribers are to be severely dealt with in the "Outlook", henceforth. The man who would "beat" his subscription is an undesirable citizen.

TO-NIGHT
We Are King, at the Opera House.

Mr. Edmund Carroll presenting Mr. Walker Whiteside's great comedy success "We Are King," by Lieut. Gordon Kean, author of "The Magic Melody" will be the attraction at the opera house tonight. This delightful comedy affords Mr. Carroll an exceptional opportunity to display his unlimited talent. Of the play the Louisville Times has the following to say:

"One of the most artistic triumphs of the present theatrical season is "We Are King," given for the first time in Louisville New Masonic Theater, last night to an audience that was as responsive as the most exacting actor could desire."

The action of the piece centers around Gustavus Venner and Hector, King of Kahnburg, a dual role that is most acceptably filled by Edmund Carroll, who has not hitherto been largely known in this historic world, but with another season or two, should have a better acquaintance with the play-goers because of his present excellent work.

Deafness Cannot be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing out an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (cause by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

A CLEAN, BRIGHT COMEDY DRAMA. PLEASING ALL CLASSES. ONE OF THE BEST PLAYS SEEN IN PORTLAND IN A LONG TIME. A GUARANTEED ATTRACTION.

PRICES—75c, 50c, and 25c. Seats on sale at Woodworth's.

SELECTING A NEW RANGE.

A range is not bought every day. A few dollars more or less in price does not determine whether a range is cheap or dear. You want the best; that is the very first consideration.

The lasting quality is the main thing. Other points to be considered are: How much fuel does it require? Is any part of it likely to give out, to crack, break or warp? Does it heat up the kitchen, or is all the heat put to use in cooking and baking? Will it wear well?

The "QUICK MEAL" Factory is so well equipped with latest and most improved machinery, that "QUICK MEAL" Steel Ranges are made more perfect and economical than any other Range, and in selecting a "QUICK MEAL" you get the best for no more money than what you would have to pay for the ordinary, cheaply constructed range.
