

Worth Remembering

Housekeepers should bear in mind that when asked by canvassers or peddlers to purchase a phosphate baking powder, that if they value their health they will refuse such powder. Phosphate baking powder is made from burning bones, gathered at slaughter houses whether from diseased animals or not. It is then mixed with a solution of oil of vitriol.

Such baking powder usually contains more or less alum and sells for 25 cents per pound.

Manufacturers of inferior baking powders never print the ingredients on their label, never state how much alum or phosphate it contains; in fact the stronger it is, the more liable it is to be injurious to health.

Be on the safe side and protect your health by demanding the pure cream of tartar kind, which is made from the purest of grapes.

Read the label and don't be deceived.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by the constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing out an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (cause by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circular, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists. 75c.

Now is the time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate.

California has been called the "Mecca of the winter tourists." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied, pleasing recreation.

Southern Pacific Co. Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. Very low round trip excursion tickets are on sale to California. The rate from Albany to Los Angeles and return is \$55.00.

Limit six months, allowing stop-overs in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on, telegraph or write C. K. FRONK, Agent Albany, or W. M. McMURRY, Gen. Pass. Agt. Portland, Oregon.

MISFITS.

A Mixture of Things and Thoughts

If you can't help don't obstruct.

Every street should be a Sunshine Ave.

Of course the old horse barn at the depot will disappear.

Albany's last horse car ride is now famous. The Oregonian did it.

It looks like an electric line for sure. The trolley wires are hanging high.

Isn't it about time the site of the P. O. was announced. We all wish to know for sure.

Mr. J. P. O'Brien, S. P. is a mighty good man to get along with, and he has a long head too.

Well, Croker ought to be slashed by some one. He has been a disgrace to American politics.

Mixed up with some excellent men Portland evidently has a rotten gang of lawyers, some of whom ought to be in stripes.

Even the men who put Finch into an important position in the state legislature have gone back on him. He's down and out.

Lawyer Finch's plea of self-defense is too thin to be seen. It is a fake of the worst order. What was Finch doing with a revolver in Fisher's office anyway.

Jefferson Review:—Fred Nutting, of the Albany Democrat, is home from Denver, and the misfits fit all right again. We sure missed Fred, who has a style of writing all his own.

It might be a good idea to begin some more pavement ordinances: one for second street and side streets to third, and one for Lyon street to the new depot. It comes high but it makes a city out of a town.

The Eugene Guard declares that the fact of the retirement of Ex-Governor Gear from the newspaper business is good news to the profession, as he was on the paper merely to boost himself politically, which is not what the newspaper is for. That's what.

According to a ruling of the U. S. Post office department, it is illegal to send invitations for a bridge party, through the mail, this being contrary to the lottery law. Of course this applies to all other kinds of card parties with prizes. Swallow the medicine.

C. Walling, retired, of 424 S. Denver St., Albany, Ore., says: "For several years I endured more or less suffering from kidney complaint, the worst trouble being a retention of the secretions and painful passages. I found temporary relief at times but Doan's Kidney Pills, which I procured at Foshay & Mason's drug store, proved to be the best remedy I had ever used for the trouble, bringing prompt and gratifying relief and fulfilling every claim made for them. Some of my neighbors have found equally good results from the use of Doan's Kidney Pills and I hear a great deal of praise for this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.

Harsh physics react, weaken the bowels, cause chronic constipation. Doan's Regulets operate easily, tone the stomach, cure constipation. 25c. Ask your druggist for them.

Accidents will happen, but the best regulated families keep Dr. Thomas' Electric Oil for such emergencies. It subdues the pain and heals the hurts.

"Suffered day and night the torment of itching piles. Nothing helped me until I used Doan's Ointment. It cured me permanently."—Hon. John R. Garrett, Mayor, Girard, Ala.

S.S.S. CURES ECZEMA, ACNE, TETTER ETC.

The skin is an index to the quality of the blood. Eczema, Acne, Tetter, pimples, rashes, eruptions, etc., show that some unhealthy humor or acid impurity is diseasing and corrupting the circulation, so that instead of supplying nourishment and strength to the fine, delicate tissues of the skin, it is continually pouring out its acrid and unhealthy accumulations. External applications of salves, washes, lotions, etc., may relieve some of the itching and other discomfort caused by skin troubles, and for this reason should be used, but such treatment cannot reach the humor-laden blood, and therefore cannot cure. A thorough cleansing of the blood is the only cure for skin diseases. S. S. S., a purely vegetable preparation, is the best and quickest remedy. It goes down into the circulation and neutralizes and removes the acids, impurities and humors, thoroughly purifies the circulation and permanently cures skin diseases of every kind. When S. S. S. has driven the humors and impurities from the blood, and cooled and cleansed the acid-heated circulation, every symptom passes away, the skin is again nourished with rich, healthful blood and the trouble cured, as the cause has been removed. Book on skin diseases and any medical advice free to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA.
